

PUBLIC AFFAIRS
CALL HIM BACK

President Cuts Short His Hunting Trip, and Will Return to Washington.

NO PRESSING EMERGENCY

Castro Needs a Dressing Down, and Many Diplomatic Changes Are Impending—President to Leave Camp May 8.

WASHINGTON, April 27.—Secretary Taft, when made aware of the President's plan to leave Colorado on May 8, showed no surprise, for it was known to him before the President left Washington that he was very doubtful of his ability to carry out his wish to remain in the hunting country until the middle of May. The President told Secretary Taft that he feared that he could not remain longer than May 8, and he consequently had formed an alternative program based on that belief.

There is no pressing emergency here requiring the immediate presence of the President. All the facts relative to the Venezuelan situation have been disclosed to the public and in the opinion of the officials here they do not justify any apprehension of a rupture in the immediate future. President Castro is making a tour of the interior of Venezuela in places inaccessible to the telegraph, and no further instructions have been sent to Minister Bowen to make a further presentation to the foreign office.

WILL CUT THE HUNT SHORT

President Decides to Return and Attend to Urgent Business.

GLENWOOD SPRINGS, Colo., April 27.—President Roosevelt will break camp on May 8, a week earlier than he intended, and will start for Washington at once. The only stops he will make are at Denver and Chicago, where dates for his reception have been advanced to meet the new arrangement.

Secretary Loeb came from the camp early today, where he conferred with the President all of yesterday. He announced upon reaching here that affairs in Washington made it necessary that the President curtail his trip.

That there is nothing alarming in the situation is manifested from the fact that the hunt will be continued ten days more, in spite of the condition of affairs which resulted in the altered plans. The Venezuelan situation, it is believed here, resulted in the order to start home on May 8.

The party will leave Glenwood Springs at about 4 o'clock on May 8, reaching Denver the same evening. After the banquet there the party will leave Denver on the train, which will leave Denver on the Union Pacific at about 7 A. M. on May 9.

HE DISCHARGES KNOWLES

Alexander Publishes Equitable Agent. Proceedings in Court.

NEW YORK, April 27.—H. H. Knowles was formally discharged from the Equitable Life Assurance Society today in a letter from President Alexander. Mr. Knowles was superintendent of agencies until a few weeks ago, when he was suspended by the president. He has occupied his office in the Equitable building until today. Mr. Knowles was brought prominently into the Equitable controversy during the meeting of agents in this city ten days ago. At that time he gave out an interview criticizing President Alexander and Second Vice-President Tarbell, and subsequently made charges against the latter in the newspapers.

William Nelson Cromwell, who in public print has been connected with policyholders' receivership proceedings against the Equitable Society, tonight issued the following statement:

ANOTHER SUIT FOR RECEIVER

Baltimore Policy-Holder Wants Hyde to Account for Funds.

BALTIMORE, April 27.—M. J. Fitzsimmons, a local policy-holder in the Equitable Life Assurance Society, today applied for the appointment of a receiver for the company in the United States District Court. The bill also asks that an accounting be had between the policy-holders and the directors and stockholders for the purpose of ascertaining the surplus and profits, and the court is also asked to order a distribution of this sum among the policy-holders.

LOOMIS SAYS IT'S FALSE

Denies Every Point of Charges Made Against Him.

WASHINGTON, April 27.—Absolute denial of certain charges affecting his official integrity was made by Mr. Loomis, Acting Secretary of State, in a statement given out by him tonight, in which he says:

"These charges were in substance: 'First—That, while acting in my official capacity as United States Minister to Venezuela, I obtained considerable pecuniary benefit from the New York & Bermuda Asphalt Company, and that a check showing a payment of \$10,000 to me by that company is now in possession of President Castro. This charge is an absolute falsehood.'

ALL WILL GET A SLICE

Russian Warship Contracts Will Be Divided Among Shipyards.

BETHLEHEM, Pa., April 27.—(Special.)—Edward N. McIlvaine, vice-president of the Bethlehem Steel Corporation and president of the Bethlehem Steel Company, whose plant is located here and who is the only authorized one in this country to talk for Charles M. Schwab, speaking tonight in regard to the reports from St. Petersburg, which announced that the Russian government has awarded to Mr. Schwab the contract to construct many ships for the new Russian navy.

QUICK VENGEANCE ON MURDERER

EL PASO, Tex., April 27.—Wash. Park, farmer near Weston, Tex., was murdered for his money while returning from marketing wool, and a posse overtook the murderer in the Sacramento Mountains and shot him to death. He proved to be Tom Gentry, a logging camp employe.

FOUND OUT BY HIS BROTHER

William Bigelow Unwittingly Revealed Frank Bigelow's Many Crimes.

TELEGRAM TOLD THE TALE

Tragedy in Real Life Acted in Revelation of Milwaukee Defalcation—Total of Bigelow's Debts Is \$3,277,000.

CHICAGO, April 27.—A special to the Daily News from Milwaukee says: "That William Bigelow, cashier of the First National Bank, and brother of Frank G. Bigelow, defaulter, accidentally exposed his brother to the directors is accepted in banking circles as the true version of how the crime became known Saturday night. It seems that Frank G. Bigelow was called out of town Saturday, and that the attorney of the bank was left in the hands of his brother. Saturday morning a telegram came, addressed to Bigelow, from a New York bank, stating that it was willing to take care of a draft for \$50,000, even though the bank was already indebted to the New York house for \$200,000."

DEBTS EXCEED THREE MILLION

Every Day Adds to Extent of Bigelow's Troubles.

MILWAUKEE, Wis., April 27.—The revised schedule of Frank G. Bigelow's petition in voluntary bankruptcy shows a total liability of \$3,277,000, of which \$1,750,000 is wholly or in part secured. Of the remainder \$1,527,000 is a secondary liability on notes and bills discounted, in which Bigelow figures as indorser. These items are notes of the National Electric Company, the Grand Rapids Edison Company and S. W. Watkins and are evidently connected with the financing of the National Electric Company. The balance, \$182,000, represents unsecured loans, the largest one being a debt of \$100,000 to the Broadway estate, of which Bigelow was executor.

FOR THE PIANO BUYER

Happily for the people of the Northwest, the Ellers Piano House has combined high-grade pianos with low prices, and families with moderate means, but refined taste, have no difficulty in securing the very best, small payments, even on our very finest makes being one of the features of our business in which we take special pride.

Our tremendous orders, which for the current year will average a carload every other day, insure us the greatest factory discounts, while the tremendous sales which result justify a much smaller profit to us than the dealer can afford who sells in the usual slow retail way.

We utilize also many devices and employ numerous methods in the conduct of our business which save materially in the cost of a piano.
