

Take Holiday at Tacoma. TACOMA, Wash. May L-About 200 brewery workers in Tacoma went on strike at 10 ociock today. This is a Na-tional holiday for brewers, and the brewery managers ordered them to report for work, which in reality changes the strike into a lockout. All the allied trades are 18, they will cost \$5. affected.

Strike of Spokane Plumbers.

SPOKANE, Wash., May 1.-All the journeymen plumbers employed in every shop in the city which does not belong to the Master Plumbers' Association are out on strike today. The Masters' As-sociation, which controls over half the shops in the city, has made an agree-ment with the Plumbers' Union to dis-charge all helpers beginning May 1, and journeymen's wages to \$5.50 beginaing January 1, 1906, on condition that the shall furnish no men to shops not association. shops outside the association

threaten injunction proceedings, and charge that the purpose of the masters' association is to reduce the number of shops in the city.

PLEA FOR GUGLIELMO'S LIFE

Many Italians Sign Petitions Sent

the Governor

SALEM. Or., May 1.-(Special.)-A imp petition for the commutation of the death sentence of Frank Guglielmo was filed in the Governor's office today. Gugilelmo is under sentence to be hanged at the penitentiary next Priday When he visited the condemned man at the prison a few days ago. Governor Cham-backs at the days ago. entain told Guglielmo that he could do beinan told ouglienso that ac could or nothing for him and it is scarcely proba-ble that he will extend elemency. The Governor has, however, written to the trial Judge and District Attorney asking

for a statement from them. The petition asks commutation to life imprisonment for the reason "that there appears to be a lack of premeditation. appears to be a lack of premeditation, and thus the deed was done upon the im-pulse of the moment by a mind appar-ently deranged to such an extent as to not thoroughly comprehend the act. Frank Guglielmo is but 23 years of age, small in stature, slight of build and of delicate health, and the evidence shows that since his father's assassingtion, he always carried with him the revolues always carried with him the revolve with which the deed was committed, and for which he has been convicted and sen-tenced, and that up to the time of the commission of the crime the most affec tionate feelings existed between him and Freda Guarascia." The petition concludes: "We believe that the safety of society

will be assured, and as the purpose of all punishment is reformation, that this will all be accomplished by a commutation of the death sentence, and we trust that your excellency" will exercise your high prerogative in this case." saved.

A large proportion of signers to the pe-tition are Italians. Faber, of the 'Catholic Church of

cured for \$2.50 cach, whereas, when the new law goes into effect on May Baker City Hall Dedicated. BAKER CITY, Or., May 1-(Special)

-Everybody was out tonight to attend the dedication of the new City Hall. Mayor Johns presided, and the evening was devoted to speech-making. Most of the ex-Mayors were present, from John Bowman, who was the first, in 1872, up to the present time. The structure and its equipment is nost creditable. Much pride is felt that uch a presentious building could be

such a present erected so cheaply and free from all taint of jobbery.

Two Governors to Meet.

OLYMPIA, Wash., May 1.-(Special.)-Governor Mead, Fish Commissioner T. R. Kershaw and Assistant Attorney-General

Kershaw and Assistant Attorney-General E. C. McDonaid will depart tomorrow for Southwest Washington, and May 4 will meet, in Astoria, Or., Governor Chamber-lain, Attorney-General Crawford and Fish Commissioner Van Dusen, of Oregon, for the purpose of conferring over the dis-pute between the two states as to the location of the boundary line near the mouth of the Columbia River.

Growth of North Yakima.

NORTH YAKIMA, Wash., May 1.-(Soe NORTH TAKINA, wash., may L-(Spe-cial).-The census of North Yakima is being taken by G. S. Vance. The work is about half completed, and the figures show that North Yakima will have at least a population of \$500. Five years ago the National census gave the city a popu-lation of 31s" lation of 3142.

Santa Fe Roadbed Repaired.

LOS ANGELES. Cal., May 1 .- The Santa e Railroad officials report today that all inmage to their roadbods resulting from the floods in Arizona and New Mexico has neen repaired, and the line is now open to traffic. All delayed trains are

Played With Loaded Rifle.

VANCOUVER, Wash., May h- While playing with a 22-caliber rifle, Willie Att-zer, aged 7, shot and instantly killed Clarence Courtson, aged 3, at the home of E. C. Courtson, father of the dead child, at Brush Prairie.

Saloon Burned at Bend.

PRINEVILLE, Or., May 1. - Hugh O'Kane's saloon at Bend burned last Thursday, causing loss of over \$3000, with \$3400 insurance. Practically nothing was

man cried out: "'You have shot me, Lucy; let me go to a doctor." "I grabbed the gun and struggled for its

possession with the Marshal, Hickman culled me to hold the gun. The other fel-lows thought the bystander was the only one shot, and took him away. The wom-

en scurried out of the place. "Hickman ran to the open door and fell. He was carried home, asked his wife to kiss him, and was dead in 30 minutes." The story told by Clarke is confirmed in a general way by the other eye-witnesses, but there is much disagreement as to details.

Marshal Lucy is the son of Judge Lucy. formerly of Umatilla County. He refuses to make any statement before examination Tuesday, other than that he does not

Public sentiment is divided. The dead man's friends say Hickman was shot down like a dog, and some threats of summary vengeance are heard.

NOBLE IN YAKIMA VALLEY.

Reclamation Engineer Parties to

Work Under His Guidance.

NORTH YAKIMA, Wash., May L-(Spe-cial.)-The Government Reclamation De-partment men of the State of Washington will establish headquarters in this city for the Summer. T. A. Noble, assistant engineer, is here with a force of men to commence work making investigation of commence work making investigation of the schemes that have been considered for past two years as the most feasible

for the Government to take up. Mr. No-ble says he does not intend to move his office here permanently, but only while the investigations are under way. The large force of men with him will be placed at different points throughout the valley. One gang will be in the Tistan Basin, another will look over the Lead-

basin, mother win now over the lead-better scheme, and a third will be in Kli-titas Valley. A comprehensive and prac-tical plan for the utilization of all the water in the valley will be the main idea worked out by Mr. Noble and his assis-

tants. The users of water have not yet come to any terms in the matter of adjusting water rights, but it is hoped that some kind of an agreement will be eventually made. It is certain, says the cuginer, that the Government will not undertake

that the Government will not undertake to carry out any irrigation scheme unless this question is settled. Another point to be considered is that of ownership of land under proposed ditches. All owners of over 300 acres of land must first make an agreement with the Government to sell that land at a cer-tain figure before any work will be com-menced. There are several men who own

menced. There are several men who own large bodies of land under the proposed Tletan scheme. They must first step out of the way before anything is done.

FINED FOR PLAYING POKER.

A large proportion of signers to the pe-tition are Italians. Faber, of the 'Catholic Church of this city, called upon Governor Cham-berlain today to present a request for but he did not strongly urge executive itual adviser, and went to the Governor at the condomned man's request. It is understood that efforts have been at Washington in Guglielmo's behaff, and it is quite probable that before Fri-

Japanese Sent Out on Line.

SEATTLE, May 1 .- The 600 Japanese laovers brought to this city on the steam-

ship Olympia Sunday night were landed early this morning and placed aboard a train on the Great Northern road, by which they will be distributed over the various divisions of the system in Eastern and Western Washington. The business agent of the Western Central Labor Union

attempted to have the men prevented from landing, but it was found that the law considered them as having come from American territory (Hawail), and that nothing could be done to prevent their entrance

Graduation at Hood River.

HOOD RIVER, Or., May L-(Special.)-The graduating class of the Hood River

public school was addressed tonight by Senator C. W. Fulton, of Astoria. The exercises were held in the Opera-House, the programme opening with an invoca-tion by Rev. J. S. Rhodes, of the United Brethren Church of this city. There were several vocal selections, and a salutatory by Raymond B. Early, member of the graduating class of the grammar school. Miss Leis J. Kelsay delivered the vale-dictory on behalf of the high school

graduates.

Jay Gould Mine Sold.

HELENA, Mont., May 1.-The famous old Jay Gould mine, 15 miles from here, has been sold to the Standard Ore Company for \$75,000. The Jay Gould in its day was one of the richest producers in the state. Years ago the vein pinched out, and the mine was closed. In development work recently prosecuted the lost lead was found again.

Increase at the Asylum.

SALEM, Or., May 1.-(Special.)-The report of Superintendent Calbreath, of the State Insane Asylum, shows that during the month of April the number of inmates of that institution increased from 1349 to 1355. The total payroll was \$6654.75, and the expenditures for articles consumed \$8547.42, or a total of \$15,-482.17. The average cost of maintenance per capita for the month was \$11.44.

Appointed by the Governor.

SALEM, Or., May 1.-(Special.)-The ollowing persons were today appointed members of the board of trustees of the second Southern Oregon District Agricultural Society:

tural Society: J. F. Aiken, Dougias County; Schiller B. Hermann, Coos County; W. T. Kerr, Curry County; H. L. Traver, Lane County, and F. L. Caikins, Douglas County.

Postmaster Goes Into Bankruptcy.

SALEM, Or., May 1.-(Special.)-Lou Speer, the Aumsville Postmaster, who was recently removed from office because he was found short \$4500 in his money-order department, has gone into bank-ruptcy. His assets are \$14,000 and lia-bilities twice that sum His shortage in bilities twice that sum. His shortage in his postoffice business was made up by his bondsmen.

The Denver & Rio Grande scene even more beautiful in Winter than mer. Travel East via that line and a a day in Salt Lake City.

briate or habitual drunkard

great work that even Mr. Meeker is wil-ling to place to his credit. "I have followed his life as a schoolboy, as a cadet in West Point, as an officer in the Engineering Corps of the United States Army, as an officer in the Mexican War, as the chief in charge of the survey of the route for a railway from the Mis-United sissippi River to tidewater on Puget Sound, as Governor of this Territory of Washington for four years, as Superin-tendent of Indian Affairs, as Delegate in

Congress for four years, as an officer in the Civil War, till his death on the battle-

field. "He was only 44 when he died, and it is impossible that a man could have wrought so much and still have been an habitual inchriate.

Very Important to Heinze.

HER.ENA. Mont. May 1.-Under a de-cision handed down by the Supreme Court today, Judge Bourquin, District Court of

OLYMPIA, Wash., May 1.-(Special.)-Adjutant-General Drain, on behalf of the National Guard, has accepted an invitation from the Duke of Connaught's Own non from the Duke of Connaught's Own Rifles to participate in a friendly rifle match on a date and under conditions to be determined later. The military or-ganization mentioned belongs to the Sixth Regiment of Canadian Militia, and is located at Vancouver, B. C.

Boy Blew Off His Head.

REBLINGHAM, May 1 .- The remains of been missing from home two weeks, were found in the woods near Lake Whatcom today, with his entire head blown off from a gun discharge. It is an evident case of suicide, although no motive is known.

OLD SORES OFFENSIVE Nothing is more offensive than an old sore DANGEROUS

that refuses to heal. Patiently, day after day, it is treated and nursed, every salve, powder, etc., that is heard of is tried, but does no good, until the very sight of it grows offensive to the sufferer and he becomes disgusted and morbid. They are not only offensive, but dangerous, because the same germ that produces cancerous ulcers is back of every old sore. The cause is in. the blood and as long as it

the blood and as long as it remains the sore will be there and continue to grow worse and more destructive. The fact that thousands of old sores have been cut out and even the bones scraped. It took only a short while for the medicine to en-tirely cure up the sores, and I am not dead as the blood is diseased and respon-sible for the sore or ulcer. Some years ago my blood became poisoned, and the doctor told me I would have running sores for Wheeling, W. Va., May 28, 1903. sible for the sore or ulcer.

Valuable time is lost in experimenting with external treatments, such as salves, powders, washes, etc., because the germs and poisons in the blood must be removed before a cure can be effected. S. S. S. cleanses and puri-fies the circulation so that it carries rich, new blood to the parts and the

sore or ulcer heals permanently. S. S. S. not only removes the germs and poisons, but strengthens the blood and builds up the entire system by stimulating the organs, increasing the appetite and giving energy to the weak, wasted constitution. It is an

without charge.
