NAMES BEST DOCTOR

MR. BAYSSON PUBLISHES RESULTS OF VALUABLE EXPERIENCE.

A Former Pronounced Dyspeptic He Now Rejoices in Perfect Freedom from Miseries of Indigestion.

Thousands of sufferers know that the reason why they are irritable and depressed and nervous and sleepless is because their food does not digest, but how to get rid of the difficulty is the puzzling question.

Good digestion calls for strong digestive organs, and strength comes from a supply of good rich blood. For this reason Mr. Baysson took Dr. Williams' Pink Pills for the cure of indigestion.

"They have been my best doctor," he says. "I was suffering from dyspepsia. The pains in my stomach after meals were almost unbearable. My sleep was very irregular and my complexion was sallow. As the result of using eight boxes of Dr. Williams' Pink Pills, about the merits of which I learned from friends in France, I have escaped all these troubles, and am able again to take pleasure in eating."

A very simple story, but if it had not been for Dr. Williams' Pink Pills it might have been a tragic one. When discomfort begins with eating, fills up the intervals between meals with pain, and prevents sleep at night, there certainly cannot be much pleasure in living. A final general breaking down must be merely a question of time.

Mr. Joseph Baysson is a native of Aix-les-Bains, France, but now resides at No. 2429 Larkin street, San Francisco, Cal. He is one of a great number who can testify to the remarkable efficacy of Dr. Williams' Pink Pills in the treatment of obstinate disorders of the stomach.

If you would get rid of nausea, pain or burning in the stomach, vertigo, nervousness, insomnia, or any of the other miseries of a dyspeptic, get rid of the weakness of the digestive organs by the use of Dr. Williams' Pink Pills. They are sold by druggists everywhere.

Proper diet is, of course, a great aid in forwarding recovery once begun, and a little book, "What to Eat and How to Eat," may be obtained by any one who makes a request for it by writing to the Dr. Williams Medical Co., Schenectady, N. Y. This valuable diet book contains an important chapter on the simplest means for the cure of constipation.

west of Montevideo, yesterday morning. The deceased came to Chehalis County in the summer of 1872. He settled on his farm in the Wynnoche Valley country in the same year and lived there until he sold the farm, and moved into town in 1902. Mrs. Long and five children survive the deceased.

George D. Sprague. SALEM, Or., May 3.—(Special.)—George D. Sprague, a Salem real-estate dealer, dropped dead of heart failure this afternoon. He had been suffering with this disease several years. He was 69 years old and came to Oregon from Iowa 15 years ago. A wife and grown son, residing in Portland, survive him.

ONE SEAL WAS BRANDED. British Columbia Vessels Find Only One Government Mark.

VICTORIA, B. C., May 3.—The last of the coast fleet of sealers returned today. The season's catch for 12 schooners was 2292 skins, the lowest for years. One branded skin was taken. Five or six years ago the United States Government caused many seals to be branded on the Pribiloff. This is one of them.

Tax Collector Assumes Office. SAN FRANCISCO, May 3.—Joseph H. Scott, who has been appointed Tax Collector of this city, to fill the vacancy caused by the removal of E. J. Smith, now under arrest at St. Louis for embezzlement, filed his bonds today and assumed the duties of the office. He was the first Tax Collector under the city's new charter.

Funeral of Lieutenant Davis. INDEPENDENCE, Or., May 3.—The remains of Lieutenant Ryder Davis, who died in the Philippine Islands, December 12, 1904, were returned to this country on the transport Sheridan, which brought the Fourteenth United States Infantry back west, and the funeral was held at McCoy's at the home of his mother, Mrs. John Finn. Lieutenant Davis was a brother of Captain Milton F. Davis, head of the military school at Fort Worth, Tex., and a graduate of the Military Academy at West Point.

Deceased was born in Minnesota, February 1, 1854. July, 1888, he enlisted with Company A, Second Mississippi Volunteers, and after two years' service was honorably discharged from the Army; enlisted in the Regular Army December 5, 1890, and served as Lieutenant. Miss Myrtle Davis, a teacher in the Salem public school, is a sister of Lieutenant Davis.

Samuel Long. MONTESSANO, Wash., May 3.—(Special.)—One of the county's pioneers, Samuel Long, dropped dead from heart failure at his home a mile and a half

CUPID'S MIRROR.

"The beauty of a woman's face or figure is but the external sign of the good health within," says Dr. R. V. Pierce, of Buffalo, N. Y., the specialist in women's diseases.

Further, to be happy and beautiful, one must naturally have good health. Now, if a woman has dragging-down feelings, together with constantly returning pains and aches, a too great drain upon her vitality and strength, she will never look beautiful. The feelings of nervousness, the bloated mind, the listless, pale and wrinkled face, all result from those disorders peculiar to women, and the only way to effect their cure is to strike at the source of the difficulty.

It is every reason why she should consult some great specialist, one who has made the diseases of women a specialty for a third of a century like Dr. R. V. Pierce, founder of the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y. All correspondence is held sacredly confidential, and he gives his advice free and without charge.

During a long period of practice, Doctor Pierce found that a prescription made up entirely of roots and herbs, without the use of alcohol, cured ninety-eight per cent. of such cases. After using this remedy for many years in his private practice he put it up in a form that can be had at any store where medicines are handled.

In many cases Dr. R. V. Pierce's Favorite Prescription will fit the needs and put the body in healthy condition.

So sure of it is Dr. Pierce, he offers a reward of \$500 for women who cannot be cured of Leucorrhoea, Female Weakness, Protrusion, or Falling of Womb. All he asks is a fair and reasonable trial of his means of cure.

Don't allow the dealer to insult your intelligence by offering you a cheap substitute. Send 21 one-cent stamps to pay express charges, and get Dr. Pierce's Medical Adviser in paper cover, free. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets are the most desirable laxative for delicate women.

BLOOD POISON

Is the worst disease on earth, and the easiest to cure WHEN YOU UNDERSTAND HOW TO DO IT. Many have ruined spots on the skin, sore throats, itching, falling hair, some have lost their eyes, and some have died.
