#### Though Lohman's Men Make Most Hits They Can't Score.

SAN FRANCISCO, May 10.—Oakland was shut out today by Loe Angeles. Though the locals made the most bits, the batting was at inopportune times. Oakland came the nearest to scoring in the seventh, when Francks made a two-bagger and got to third on a sacrifice. But Smith fielded Van Haltren's bunt and caught the runner at the plate. MARTY MURPHY IS FINED

### Pleads Bad Temper as Excuse for

Beating Umpire.

SAN FRANCISCO. May 10.—(Special.)—
Marty Murphy, baseball player and unprofessional fighter, was fined \$25 this morning by Judge Cabanise, as a penalty for nattering "Bull" Perrine, umpire, in a game at Recreation Fark a week ago last Sunday.

The outbreak of Murphy is still freak

in the minds of baseball enthusiasts. Murphy, while playing first base for the Seals, got redbeaded over one of Porrine's decisions, and cut losse with both hands. He gave the umpire a brutal beating and was arrested for battery. When the case was first called in court Murphy pleaded not guilty and declared that he wanted a jury trial. Later he had a long talk with President Bert, of the Pacific Coast Baseball League, admitted that he had done wrong, and pleaded an ungovernable temper as an excuse.

wrong, and pleaded an ungovernable temper as an excuse.

When the case came up this morning Murphy called for a new desi. The court was willing to start all over and Murphy pleaded guilty. Judge Cabaniss put the defendant wise to the fact that a jury trial would have meant 20 days, remarked that the retirement of Murphy from baseball was in itself a punishment and then made it good measure by fining the offender \$55.
