Junior Engles Defeat Centennials.

The Junior Eagle baseball team defeated the Centennials yesterday by the close score of 3 to 2. The game was nip and tuck from the very start until the last man was out. Dingle,

a stern chase, but it never gave up, and fought if out until the end, although dur-ing the last three innings it never got a hit. Goodell proved that he has good stuff in him, and when he gets a bit better control will make a strong twirler for some college team. Pender, slab artist for the men from the university town, had the better of the argument, as he struck out that they can guarantee Pacific's ex-penses to Eugene as their atlatelle ell. The Eugene men got ten hits, while ell. The Eugene men got ten hits, while but eight were secured off the delivery of Pender. With one man down and Reed at first on a pass. Goodell opened the first inning with a two-base hit, and a single by Otts brought home the run. Ganong popped a double. Eugene came back quick in the second, when three hits netted it two Goodell, with his hit in the third, runs. Goodell, with his hit in the third, tied the score, and after that, when he was in a plach in a couple of innings, worked himself out of trouble. The be-ginning of the end came in the sixth. Dimmick of Eugene opened with a hot one over third that Ott just touched with the tip of his glove. Bean bunted and Good-ell threw wild to first. Hans placed an-other one down to second, but there was no one to cover first cushion, as the first baseman was after the ball. In the mix-up, two runs were scored, and the third runs. up, two runs were scored, and the third tally crossed the pan when Hendershott hit safe. The locals had a chance in the sixth,
