Hongkong Believes Fleets Will Meet Off Coast.

TOGO IS OFF PESCADORES

His Cruisers Stop Merchant Steamers and Are Massed Among Islands--Rojestvensky Must Fight Soon.

HONGKONG, May 13.-The authorities

here anticipate that a sea fight will take place off this port in the near future and are making preparations to take care of such wounded as shall be brought here. Several hospital sites have been selected in new territory and hospital cots and bedding are being stored where they will on reads for use

The steamer Heinsang reports that on Wednesday it sighted two cruisers off the northern coast of Formesa, flying the Japanese flag. The day before the steam-or Themis was stopped by a Japanese cruiser 18 hours after leaving Moft and her papers were examined by an official sent on board for the purpose. The The-mls was followed until dark by the cruis-er, but was not further molested.

MUST FIGHT BEFORE JUNE

Rojestvensky Will Otherwise Have to Fight Typhoons.

SPECIAL CABLE, TOKIO, May 12.—Japanese officials here declare that if a naval battle between the Russian and Japanese fleets is to be the Russian and Japanese fleets is to be fought before midsummer, it will have to be fought before the end of this month. In support of this contention they argue that the typhoon season begins early in Jone, and that the Russian vessels are not in condition to withstand any very severe storms. Therefore, it is said, Rojestvensky will hardly delay much longer in the China Sea, but will attempt his dealt toward Vladivostok very soon.

The Ministry of Marine has received full information regarding the junction of Ro-

Formation regarding the junction of Rojestvensky and Nebogatest, but for good reasons refuses to make it public.

TOGO'S PLEET OFF PESCADORES

Seen by Steamer Which Was Held Up by Cruiser.

SPECIAL CABLE.

MANILA, May 13 .- Confirmation of the report that Admiral Togo's fleet is massed off the Pescadores is brought by the steamer Doric, which was held up off those islands Wednesday by the converted cruiser Hitchina. The Doric's manifest was examined, but she was allowed to

SHIPPING SHELLS FOR RUSSIA

Whole Cargo at Oakland on Way

may be Viadivoarok. The working of
loading these shells began on two steamers, but was stopped today when the masters of the vessels ascertained the character of their consignment. Many cars scaled and in bond from

Many cars scaled and in bond Wharf. New York have arrived at Long Wharf. New York have arrived at Long Wharf within the pust week or so. They were loaded in strong fron-bound wooden cases, shipped from Hamburg to Kobe, Japan, marked "E. M. E. H. H. and invoiced as "manufactures of metal." When nothies of the character of the goods he was leading the captain of the British steamer. Hearthern souther the advice of the leading the captain of the British steam-er Heathdene sought the advice of the British Consul. Mr. Bennett sent Vicemi Moore and the captain to the a conference for the purpose of stopping the shipment of the shells, and this the collector decided not to do, as their trans-portation was not a violation of the neu-

JAPANESE TRANSPORT LOST

Blown Up by Mine, Explaining Story of Togo's Flagship.

CHEFOO, May 12-48 A. M.)-A mer-chant vessel which has arrived here con-firms the report that the Japanese transport Sheyutsu, with 1800 tons of provisions, bound for Niu Chwang, struck a mine May 4, sear the Miaotao Islands. The entire after-part of the transport was

blown away.
The Sheyutsu signaled the merchantman that she was in distress, but she refused aid when she ascertained that the mer-chaniman was a Chinese ship.

The captain of the merchantman states that it seemed impossible that the trans-port could live in the storm that was preport could live in the storm that has vailing at the rime, and he believes that

(A Paris dispatch, dated May 2, stated that a dispatch had been received at the Russian Embassy the previous night, stating that Admiral Togo's flagship had been blown up by a floating mine. The facts contained in the above dispatch probably formed the basis of that story,)

FIGHTING FOR THE PASSES

Russians Tell of Successful Contests at Front.

ST. PETERSBURG, May 12—General Linhevitch in a dispatch from the front, dated May II. reports a series of small engagements for the possession of a pass seven miles southwest of Chimiotse. On May 5 the Russians retired to Chimiotse, and on May 6 the fighting was resumed and lasted all day long. The treath was indecisty. Simuttaneously detachments were engaged seven miles from Ufangu. The Japanese advanced up-to the Russian bayonets, but were repulsed.

The statut of May 6 the Japanese were reinforced and the Russians commenced to retire. On May 7 a third Russian detachment advanced to Tavangua Pass and met the Japanese, against whom the former operated successfully for possession of the Pass. On May 7 the Japanese resumed a decinity of offensive against the Russian flank, but were required. ST. PETERSBURG, May 12 -General

through Tasugari Straits into the Pacific on a reconnoissance to ascertain if the pasage is free of mines and feasible for Rojestvensky's squadron, and also to threaten Japanese commerce. All the Russian naval divisions now in the Far East are acting under Rojestvensky's orders.

M. Vronski, the military expert of the Novoe Vremya, explains that the failure of Field Marshal Oyama to undertake an advance, as well as the failure of the Japanese to send an expedition to the island of Sakhalin, in due to the appearance of Rojestvensky's squadron in Chinese wa-

"In his hands is now the destiny of the Far East," the paper says. "May God grant him success."

Frant him success."

The Slovo reproaches the Imperial Guard for not going to the front, saying:
"Its place is on the battlefield. In all Russia's wars the Guard has won glory. It is composed of the picked men of the empire, and should show the world what Russia can do."

Russia Will Issue More Bonds. ST. PETERSBURG. May 12.-The

Berlin April 25, the banking-house of Mendelssohn & Co. had agreed to advance to Russia on treasury notes for nine months, bearing interest at 5 per cent will probably be taken up about the first of the year, when the money market is in better condition, by a regular bond loan of considerably larger dimensions.

Steamer Sunk Off Port Arthur.

TOKIO, May 13.—The British steamer traiense, bound from Niuchwang to Kobe, struck a mine off Port Arthur yesterday and sunk immediately. Boats from Port Arthur rescued all the Europeans aboard, but it is believed that several of the crew and passengers were drowned. It is also believed that the steamer was inside the zone that ships have been warned to avoid.

French Guess at Togo's Strategy.

SPECIAL CABLE. PARIS, May 12.-French naval experts re believe that Admiral Togo does not pian to give battle to the Russian fleet at close quarters, but rather will hang about them and worry their officers with his faster vessels, which will try to maneuver them into positions where his de-stroyers and torpedo-boats will be avail-

CROKER DIES ON TRAIN

Continued from First Page.; The two latter letters were not made

At the racetrack Croker's manner was not such as to excite notice. the jockey, who rode for Richard Croker and who was well acquaiunted with Herbert's brother, was at the track all after son and he did not even hear that Croker was in town. It appears that Croker did not make his identity known anywhere in this city.

Had Been at "Hop Joint."

The negro who put him on the train inst night was Charles Woodson, a por-ter at the Coates Hotel. Woodson says ter at the Coates Hotel. Woodson says that Croker arrived at the hotel about 8 o'clock last night, intoxicated. After checking a small value at the hotel, Croker, the negro says, asked him where there was a 'hop joint.' After repeated requests Woodson says that he agreed to accompany Croker to such a resort. They went together to a Chinese resort on Sixth between Wyandotte and Delaware streets, where they remained an hour. Woodson says that he then took Croker direct to the train. Croker's value is still at the hotel croker did not register at the notel and it is not believed that he stopped at any other hotel during his brief stay in the city. Woodson, the negro porter, tells a straight stopy

Croker Family Plunged in Grief by

NEW YORK. May 12.—News of the sudden death of Herbert Croker, son of Richard Croker, was received in this city today from Newton, Kas., by his oldest brother, Richard, Jr., and his mother at their home. The Croker home tonight was plunged into deepest gloom.

Herbert Croker, left this city of the few few. Herbert Croker left this city a few days ago to take a vacation on a friend's ranch in Okiahoma. It is understood he had been in ill health and had gone to

VITAL WEAKNESS

Above all other things, we strive to save the thousands of young and middle-aged men who are plunging toward the grave, tortured by the woes of nervous debility. We have evolved a special treatment for Nervous Debility and special weakness that is uniformly successful in cases where success was before and by other doctors deemed impossible. It does not stimulate temporarily, but restores permanently. It allays irritations of the delicate tissues surrounding the lax and unduly expanded glands, contracting them to facily normal condition, which prevents lest vitality. It tones up and strengthens the blood vessels that carry nourishment. The patient realizes a great blight has been lifted from his life. We want all MEN WHO ARE SUFFERING from any disease or special weakness to feel that they can come to our office freely for examination and explanation of their condition FREE OF CHARGE, without being bound by any obligation whatever to take treatment unless they so desire. We cure

Stricture, Varicocele, Nervous Debility, Blood Poison, Rectal, Kidney and Urinary Diseases And all diseases and weaknesses due to inheritance, evil habits, excesses or the result of specific diseases.
