

HIS LIFE IS FORFEIT!

Governor of Russian Province
Mortally Wounded.

REVOLUTIONIST'S REVENGE

General Sokolovsky, Governor of
Ufa, Shot Down in Public Garden
Because He Sternly
Repressed Rebellion.UFA, Russia, May 16.—Major-General
Sokolovsky, Governor-General of the
Province of Ufa, was shot at several
times and seriously wounded this morning
in the public garden during an enter-
tainment. His assailant disappeared.
General Sokolovsky's life is despaired
of, though he retains complete conscious-
ness.Vice-Governor Bogdanovich has taken
over the administration of the province.

STERN AND VIGOROUS RULER

Sokolovsky's Predecessor Met Same
Fate Two Years Ago.ST. PETERSBURG, May 15.—(G. A. M.)—
The shooting of Major-General Soko-
lovsky, Governor-General of Ufa, yester-
day, is the second crime of this nature
which has occurred at Ufa within two
years, his predecessor, General Bogdan-
ovich, having been assassinated in the
streets on May 15, 1903. General Soko-
lovsky, who was Vice-Governor of Oren-
burg and later, as military governor of
the same province, acquired a reputation
as a stern and vigorous official, was ap-
pointed to restore order in the turbulent
government of Ufa, and adopted a re-
pressive policy which long ago caused
him to be marked for the same fate as
Bogdanovich.Numerous revolutionary societies were
broken up by General Sokolovsky and
manifestations were not permitted under
his administration and the last acts of
the Governor-General were the dispersal
of an anti-governmental club and the
suppression of the last of the demon-
strations.

REFORM PLANS TAKING SHAPE

Jewish Disabilities to Be Removed.

National Assembly Project.

ST. PETERSBURG, May 16.—The As-
sociated Press learns that the basic
project for the extension of the rights of
the Jews now under discussion by the
committee of Ministers is the complete
removal of the time limit of residence of
Jewish merchants of the first and second
class in the large cities of Russia (the
period is now restricted to three months
annually, and the extension of the re-
stricted right of residence of Jewish
artisans.According to the Russ, the complete
project of the Bouligue restriction com-
mission, provides, as anticipated, for a con-
sultative assembly on the lines of the
Shipoff programme, with four estates
modeled on those of the Finnish Diet, the
nobles, the clergy, the burghers and the
peasants. M. Bouligue will now, accord-
ing to the same authority, call in the
members of the nobility, presidents of
the executive committees of the Zemstvos
and Mayors of cities to secure their views.

POLICE DRIVEN FROM STREET

Jewish Mob Breaks Out—Workmen

Denounce Rebel Agitators.

WARSAW, May 16.—There were dis-
turbances in the Jewish Quarters this
evening. Police were attacked by a mob
and forced to take refuge in the market
hall from which they shot and killed one
and wounded another of the rioters.
The workmen's committee issued a
manifesto today denouncing agitators,
saying they had deceived the workmen,
who had been led to believe a general
revolution was about throughout Russia
and as a result a number had been killed
without gain. The committee implored
the workmen to return to work and se-
cure their aims by peaceful measures.
A message by telephone from Lodz re-
ports that slight disorders continue, but
that many are returning to work.

POLITICAL CLUB AUTHORIZED

Moderate Liberals May Talk Politics.

Fears of Disorder Ended.

ST. PETERSBURG, May 16.—The pro-
Russian political club has been for-
mally formed under the auspices of Baron
Trenkhausen and other prominent Moder-
ate Liberals, and has been authorized by
Interior Minister Bouligue. This example
is expected to be followed at Moscow and
elsewhere. The formation of authorized
clubs for the discussion and propagation
of political ideas will mark a distinctly
new phase in the reform movement.
With the passing of the Russian May
day, many foreign newspaper correspond-
ents who expected an interior conflict in
the Spring, are leaving St. Petersburg,
convinced that all prospects of serious
disorders is over for the present.

POLICEMEN KILLED BY BOMB.

Two Meet Instant Death and Assas-

sins Shoot Third.

RIGA, European Russia, May 16.—Two
policemen were killed by unknown per-
sons at midnight near Gupenberg Park.
A bomb was thrown at a police patrol,
with the result that a Police Commissioner
was wounded and a policeman was
killed. A policeman, among those who
pursued the bombthrowers, was shot and
killed by the assassins, who were armed
with revolvers.

Volley Breaks up Meeting.

WARSAW, May 16.—A gathering of
Russian and Jewish Socialists on Na-
winski street was dispersed at midnight
by a volley from an infantry patrol. The
police previously had fruitlessly tried to
disperse the demonstrators, and finally
summoned a military patrol. The latter
fired at the crowd, wounding several per-
sons slightly.

Death Sentences Set Aside.

ST. PETERSBURG, May 16.—The Court
of Appeals has decided that the senten-
cing of four persons condemned to death
at Warsaw by a military court-martial
for attempts on the life of Chief of Police
von Nolken and other officials of that
city, was illegal, as martial law did not
exist there at the time. The prisoners
will be tried again before a civil court.

No Export Duty on Swedish Ore.

STOCKHOLM, May 16.—The Riksdag
today rejected by 139 to 146 votes the pro-
posed export duty of 25 cents per ton on
iron ore.FREE EMBROIDERY

IS GREATER AND BETTER THAN EVER BEFORE!LEADERS! Yes—that's it; not only the leader among the "Exposition City" stores, but our place
is firmly established at the head of the line among Pacific Coast houses. Our headlight gleams across
an open field, reaching to Chicago. No store between that metropolis and Portland surpasses this, either
in magnitude of stocks or authoritative Fashion showings. We are often termed a "Conservative
Store." "Conservative"? Yes—a grand, good word to live up to—as lived by this house. It means
exact business methods; plain statement of truths, courteous, prompt and intelligent service without sen-
sationalism. Going into every market of the world for its best merchandise—and getting it while
it's freshest, newest and best. There's much education and entertainment in looking thro' lines of
goods such as shown here, and thousands of visitors enjoy and benefit by the time spent here daily.
That they gain knowledge and ideas as yet revealed by no other Portland store is certain—yes—the
store is brighter, better and busier than ever before. These values were never approached by any West-
ern house—never surpassed in America. Will you share? The Specials are FOR TODAY ONLY.SCHOOL OF DOMESTIC SCIENCE
