WATER ALMOST EXHAUSTED Vessel Five Weeks Overdue From Philippines for Willapa Harbor Makes Gray's Harbor—Had Head Winds and Calms.

HOQUIAM, Wash., May 16.—(Special)—With her supply of water almost exhausted and but two sacks of flour, besides a little rice and a few beans left on board, the barkentine Chehalis, 119 days out from Cebu, P. I., was towed into Gray's Harbor tonight.

Five weeks and more overdue for Willapa Harbor, the long voyage of the Chehalis was caused by strong head winds and by calms encountered while trying to beat through the tortuous passages between the islands. At one time on board, the tug Durand picked up the Chehalis outside today. The barkentine was awaiting a tow into Willapa Harbor, her destination, to which she will sail tomorrow.

DR. W. NORTON DAVIS & CO. Offices in Van-Noy Hotel, 317 Third St., Cor. Pine, Portland, Or.

VITAL WEAKNESS. Above all other things, we strive to save the thousands of young and middle-aged men who are plunging toward the grave, tortured by the woes of nervous debility. We have evolved a special treatment for Nervous Debility and special weakness that is uniformly successful in cases where success was before and by other doctors deemed impossible. It does not stimulate temporarily, but restores permanently. It always irritates of the delicate tissues surrounding the brain, unduly expanded, and restores to their normal condition, which prevents loss of vitality. It tones up and strengthens the blood vessels that vary nourishment. The patient realizes a great blight has been lifted from his life.

STRICTURE, VARICOCELE, NERVOUS DEBILITY, BLOOD POISON, RECTAL, KIDNEY AND URINARY DISEASES. And all diseases and weaknesses due to indigestion, evil habits, excesses or the result of specific diseases.
