Portland Pupils' Exposition Voting Contest

Twenty Leading Contestants with Standing at 4 P. M. Yesterday

If the vote which decides who the fortunate 20 pupils will be to receive each a book of 50 admissions to the Lewis and Clark Exposition was over at 4 o'clock yesterday, the names of those whose names are printed below would be the lucky recipients. However, the vote will not be over until 4 P. M. of Saturday, July 1. And by that time we presume there will be many changes, as the vote is in its infancy at present, with six weeks, and a little more, to run. Many novel expedients are being resorted to by the youngsters to gain votes, some of which would do credit to both letter and smooch; the general public, but as we feel it would not be fair to the original young schemer, all fair methods being allowable and canvassing in the store for votes barred, we shall defer their telling until after the contest is closed. Result of voting will be published in Friday morning papers, and Tuesday and Monday and Thursday evening's papers, and Tuesday and Friday morning papers, only the names of the first 20 being mentioned, as we now have over 130 names on the books, and it would use up over four solid columns of the paper to print them all. However, any of the contestants, or their friends, may call at the store advertising department at any time and look over the book and ascertain the exact standing at such time of any contestant. The books are kept posted to date at all times and open to all. Visitors will be welcome. The standing at 4 P. M. yesterday was as follows: Metta Seidler, Falling School, 2,322; Henry Feldman, High School, 2,129; Ida Dingle, Hawthorne School, 1,992; Ida Smith, Williams-Avenue School, 1,590; Maud Thayer, Thompson School, 1,543; Florence McVarrin, Atkinson School, 1,455; Dorothy Allen, Ladd School, 1,411; Gladys Crockett, Atkinson School, 1,382; Berenice Hannigan, Ladd School, 1,273; Wellington Gilbert, Ladd School, 1,055; Robert Ellison, Hedley School, 993; Hattie Hobbs, High School, 854; Adrian Smith, South Portland School, 854; Ambrose Phelps, University School, 838; Leo Boire, High School, 838; Edie Suplicke, Williams-Avenue School, 817; Trenton Johnston, Hawthorne School, 784; Ruth Murphy, Atkinson School, 776. First twenty 23,295. Scattering 14,621. Total 42,924.

SPECIAL NOTICE: Votes must be gotten at time of purchase. They always go with every purchase at time it is made—sent back in the cash carrier from the cashier. Positively no votes will be issued on duplicate checks.
