## THAT CITIZENS' MEETING

Charles F. Lord Discusses the Attitude of Lane Men.

PORTLAND, Or., May 18 .- (To the Editor.) POBTLAND, Or., May 18.—(To the Editor.)—in the issue of The Oregonian yesterday it appears that "Williams man is booted out."
My name is used as the particular person. The facts are that after a rather heated sassion of the ac-called "Citizen's meeting," my views appeared not to coincide with the majority present. In fact, I may add that the personnel consisted mainly of Democratis and disgrantled Republicans, a few Socialists and many Prohibitionists. It was, in fact, a Lane meeting.

kindness to move that I be "thrown out" because I expressed, or raffer, started to express my respect for George H. Williams, which I presume, under the circumstances, is truly "Lanetch Democracy."

The fact is that the meeting was in no sense a "citizens meeting," as called for, but simply a gathering of discrentied politiciane attempting to belittie the present Mayor. He is the peer of them all, and one of the grandest characters in the whole United States. It ill becomes any man, whether he be from Oregon or from any other state in the Union, to seem the bonor or attitude of Hon. George H. Williams. It is absurd to deity a good physician into a good Mayor—It is unfortunate for his patients.

Interesting Programme Presented, Including Shakespearean Reading by Rose Eytinge.

The May social convention of the City Federation of Women's Clubs, which was held at the residence of Vice-President Mrs. L. Samuel, yesterday afternoon, was one of the most successful and delightful affairs ever given in club circles in Port-iand. The various clubs composing the Federation were well represented, and from 4 until 6 daily several hundred guests paid their respects to the host-cases. Mrs. Rose Hoyt, president of the Federation, is still in Arizona, where she has spent the Winter, and in her absence Mrs. Samuel and Mrs. A. T. Webb, the better chairman of the entertainment committee, received the guests, assisted by Mesdames S. M. Blumauer, P. J. Mann. A. H. Breyman, M. Baruh, Grace Watt. Shakespearean readings by Rose Ey-tings and vocal numbers by Mrs. Rose Bloch Bauer furnished a programme of unusual interest, which was thoroughly appreciated. Miss Eytinge was at best, and her selections from "Macbeth" and "As You Like It" were exquisitely interpreted and rendered.
