**THIS IS THE LEADING STORE ON THE PACIFIC SLOPE**

**BECAUSE** it's AHEAD of the times. "Up-to-date" methods are now behind the times; this is an age of advanced methods in advance of the times; thus it is this store leads Portland to a greater growth. Most stores are satisfied to wait for opportunities to come and coax 'em. Not us. We're out with a repeating rifle and a pack of retrievers gunning for them. Our New York buyers, alert and watchful ever, were in the field early and secured many of the plums that Chicago stores of the finer class were compelled to forego on account of the business depression consequent upon the great strike in that city. Chicago's cancellations have benefited Portland through her best store. Mills and factories—knowing our immense output—have laid their canceled orders at our feet at almost our own prices—their season being over, ours in the bud, with the Exposition and its busy four and a half months ahead. Home-folks receive benefit first. The "Cancellation Sales" add fuel to the fires under the boiler of the "Home-folk's Pre-Exposition Sales." **SPECIAL VALUES BELOW FOR TODAY.** Some for week.

**"Gage" Hats Caught in the Vortex of Reduction Smartest \$15 GAGE Hat \$5**

**Bijou Millinery Salons—Annex Second Floor.**  
Yesterday 'twas the Bendel English Tailored Hats and the Phipps and Atchison beauties that walked the plank of ridiculous reduction out into the sea of new owners. And my! what a happy lot of people shared in those bargains. The lovely Gage Hats peeped from their boxes in envy as they saw their associates going out into the sunlight. Today they get their chance for escape. Only about a hundred left, but all the prettiest of the Gage types, smart, chic, genteel creations characteristic of their high-class makers. For one day only, to-day, we shall sell them, values up to \$15, for— **\$5.00**

**Patriotic Flags and Emblems**

For Memorial Day and "Lewis and Clark Day"  
Next week will be "Holiday Week" in Portland, and flags, bunting and emblems will float from the house-tops and exteriors of all patriotic homes. Be a "booster." After paying respect to the "old guard" who've gone on before, turn your face bravely back to the present and strew flowers in the paths of the living. Let "Old Glory" float everywhere at half-mast on Tuesday, Memorial day, in remembrance of our fathers who fought and died for it; but, as the sun sinks into the Pacific, raise them to the peak head in welcome to Lewis and Clark, who stand a 48-hour's journey away, gazing upon the goal they've braved all to reach—the "Walls City"—World's Exposition of 1905. Unfurl every flag and inch of bunting in the city. You and I, reader, will not live to see again an occasion like this in our glorious rose-bowered city of Portland.
