5 P. M.—Banquet. 7:30 P. M.—Annual business meeting and informal programme.

This day will be the record in the ancals of the Oregon Pioneer Association. The persistent efforts of the secretary in sending announcements to every post-office and railroad station in the orig-inal "Oregon Country" and to hundreds of ploneers throughout all this region besides, together with the kindly and much appreciated announcements by the state press, has caused more ploneers to as-semble in this historic year than ever before or ever will again. More than 1600 have called at pioneer headquarters, in the historical rooms, City Hall, reg-istered and secured badges. For the first time one pioneer appears whose year was 1831--Mrs. Henrietta Moisan, Brooks, Or. Then there is a skip of nine years, and Mrs. Wiley Edwards, Newberg, rep-resents 1840. As usual, 1852 is the record year, and 1853 the next in order. From year, and 1852 the next in order. From 1852, on the ascending scale, it is a rapidly vanishing line, and the proportion on the ascending scale is very small, indeed, a condition which is accounted for by the fact that the immigrations after 1855 were small as compared with previous years, and grew smaller as the years advanced on account of the Indian wars raging from 1855 to 1858.

All preparations for the final meeting today have been perfected without a hitch, and at I o'clock the "snow-crowned heads of Oregon" will assemble at the Armory, and at I o'clock brief literary exercises will take place as previously an-
