On the river and O. W. P. Ry., 21 minutes ride from First and Alder streets; this choice tract of land containing 400 acres is platted in lots and acre tracts and is now on the market for sale at prices within reach

Large lots 50x100 feet on the car line for \$50.00 each.

Acre tracts from one acre up for \$150 per acre. No better soil in the State of Oregon; fine water plentiful, land all around this tract highly improved, good wagon roads through it.

Compare these prices-Lots 50x100 feet, on the car line, just one-half the distance from the center of the city that St. Johns is, for only \$50.00; high, sightly and level.

Milwaukie Park is a very desirable place to build a home on account of the excellent car service and river view, and the prices are placed low as a special inducement for working people to own their own home for \$50.00-and a lot large enough to enable them to have a fine garden.

Those buying right away have choice of lots nearest car line and station. All Oregon City cars stop at Milwaukie Park, going and coming, from this date.

Free tickets there and back will be given to all intending purchasers.
