### Milwaukie Park

On the river and O. W. P. By., 21 minutes ride from First and Alder streets; this choice tract of land containing 400 acres is platted in lots and acre tracts and is now on the market for sale at prices within reach of-all investors.

Large lots 50x100 feet on the car line for \$50.00 each.

Acre tracts from one acre up for \$150 per acre. No better soil in the State of Oregon; fine water plentiful, land all around this tract highly im- PORTLAND TRUST COMPANY OF OREGON proved, good wagon roads through it.

Compare these prices-Lots 50x100 feet, on the car line, just one-half the distance from the center of the city that St. Johns is, for only \$50.00; high, sightly, and level.

Milwaukie Park is a very desirable place to build a home on account of the excellent car service and river view, and the prices are placed low as a special inducement for working people to own their own home for \$50.00-and a lot large enough to enable them to have a fine garden.

Those buying right away have choice of lots nearest car line and station. All Oregon City cars stop at Milwaukie Park, going and coming, from this date.

Free tickets there and back will be given to all intending purchasers. Title perfect. Complete abstract furnished upon inquiry.

To each person residing outside of the city of ortland, who will buy from me 50 feet frontage, or more, at our regular prices and on our regular terms, on any street in University Park, Portsmouth or any other place on the Peninsula, I will refund his railroad fare to the Lewis and Clark Exposition and return to his home at the rate of 200 miles fare for each 50 feet of frontage so purchased. This proposition is open to all visitors to the Exposition. Prices \$3 to \$10 per foot. Terms one-tenth cash, balance \$5 monthly on each lot without interest if paid when due. Five per cent discount for all cash.

### University Park

Is the bon-ton residence portion of the whole Peninsula. It is eminently respectable to have a home at University Park. It has the Columbia University, Bull Run water, Portland public schools, electric street-cars, electric street lights, employment for all in the nearby mills, factories and docks; alleys back of all lots, wide streets, in short everything to meet the heart's desire.

Prices will be advanced July 1. Don't forget the date. Francis I McKema, Room 606 Commercial Block 9 to 12 A. M. University Station 1 to 6 P. M.
