TWO VIEWS TAKEN

Policy-Holders' Opinion of the Equitable Trust Deed.

CRIMMINS' PARTY CONTENT

Committee Adopts Resolutions Approving Ryan's Scheme-Bacon Calls Sale Dummy--Elections Dictated by Agents.

NEW YORK, June 16.-The committee of policy-holders, of which John D. Crim-mins is chairman, and which was organ tred to secure the mutualization of the Equitable Society, teday adopted a reso-lution declaring it to be the opinion of that committee "that the voting trust will assure an honest administration of the society's affairs, in the interest of the policy-holders, and in view of the delay in the consummation of mutualization, the present plan is entitled to the support of the policy-holders; that the power to nominate directors to fill the existing vacancies in the board, the power and duty hereafter to elect a majority of the di-rectors upon the suggestion of the policyholders themselves, and to elect all other directors of their own uncontrolled choice, vested as it is in trustees of the highest character, justifies our belief that the ob jects for which this committee was or-ganized will have been accomplished, as far as is possible at the present time, and that the rights and interests of the policy

Alex. S. Bacon, counsel for Roland W. Dufort and other policy-holders, today made an attack on the recent transfer of the majority of the stack by James H. Hyde to Thomas F. Ryan. I am not sure, however, there has been

any bona fide sale of the Hyde stocks," said Mr. Bacon. "The fact of the price that is said to have been paid having been published is no prima facie evidence of auch sale. I believe that the policy-hold-ers will shortly find that they have been thrown from the frying pan into the fire. If this is really a sale, dummy trustees would be obliged to vote for dummy directors. The 28 directors to represent the policy-holders will be really selected by the management or its agents, who will coase to be agents very quickly if they don't influence the policy-holders to select the right directors. The policy-holders know only the local agents, but a mutual management is far less responsible than stock management, for the stockholders, being interested as far as their stock is concerned, have at any rate something at

perintendent Hendricks, of the State Insurance Department, said today that he had not yet submitted his report in the iquitable matter to Governor Higgins. He declined to say when he would do so. Chairman Morton said that until Mr. Hendricks' report is given out the action of the executive committee will be conserva-

THOUSANDS MOURN HIM

Greeks Swarm to Look for Last Time on Delyannis.

ATHENS, Greece, June 16 .- All day long trains and sieamers have been arriving crowded with mourners. Thousands viewed the remains of M. Delyannis, which were lying in state in the Chamber of Deputies. There was so much scram-bling that many persons fainted, but o-erwise there was no disorder, and the ceremony was an imposing manifestation of the national grief.

Topporrow King George will follow the remains on foot, and the garrison will line the entire route to the cemetery.

DELYANNIS WAS A POOR

Greece Will Pension Family of Murered Premier.

ATHENS. Greece. June 16.-The late Delyannis, who was assassinated June 13 by a gambler named Gherakuris, died in absolute poverty. The Chamber will yote a pension to the immediate members of his family. One of the proprietors of the gam bling-house with which the murdere was connected has been arrested. He gave the police the names of the in stigators of the Premier's assassing

The remains of M. Delyannis were removed from his residence to Chamber of Deputies in the simplest manner, followed by all the Deputies and an immense crowd. The open coffin was placed on a splendid catafaique in the middle of the chamber.

Pope Sends Greeting to Roosevelt.

ROME. June 16. The pope today reived in private audience Archbishop J I. Keene, of Dubuque, ia. The conversa-tion having turned on the subject of the papal note regarding the exclusive singing of sacred music by male choirs in the Cathelle churches of the United States. the pope declared that, while the note enunciated the principle of the rules to be followed, he fully accepted the fact that its practical application must be gradual and slow. The pontiff said that knowing Archbishop Keene to be a personal friend of President Roosevelt would beg him to present to the President his "respectful and affectionate good wishes, both for Mr. Roosevelt and his

JAMES S. MCLAIN'S

AND THE

KLONDIKE

is Alaska Any Good?

Mr. McLain asks. This question he answers in the affirmative by showing the undreamed of wealth of the vast region, not only in furs, fish and gold, but in agricultural possibilities. We were laughed at for buying Alaska in 1867 from Russia for \$7, 200, 000. Since then the exports have amounted to nearly \$150,000,000.

Mr. McLain, himself, accompanied the Senate Commission in 1903 to Alaska and the Klondike and thus enjoyed exceptional opportunities for accurate and complete observation. His book has already been accepted by all competent authorities as the standard work on this subject and as bearing all the weight of an official report. It is also
