FOUR-YEAR-OLD CHILD LOST—A pretty little four-year-old girl, too frightened to tell her name, or say where she lived, was picked up on the street by residents of 38 Harrison street, at a late hour yesterday afternoon, and by them taken to their home. The matter was reported to the police, and those who found the baby on the street announced their willingness to care for her until the parents reported the loss of the child. This was allowed, in order that the baby might not be frightened still more by being taken to the police station. Up to 2 o'clock this morning no one had inquired after the child, and no child had been reported as lost. The little tot is apparently without relatives, or else they think her in safety with friends. She has light hair, and was dressed in a red dress, blue coat, white shoes and wore a straw hat.

The building contains 13 rooms, but at the start Captain Arenta will have two upper floors, which will accommodate 20 girls. For these large rooms are provided on the top floor, all of which open in a middle rest room. Captain Arenta says each room will have four single beds and furniture to correspond.

NEW CHRISTIAN MISSION—A new Christian mission is to be inaugurated in old Engine House, No. 4, Vancouver avenue, near Failing street, tomorrow evening, at 8 o'clock. Rev. Milo A. Hillon, for several years a missionary among the Chukchee Indians of Alaska, will be in charge. It is not the purpose of the management to organize a church, but to open a Sabbath school, and hold a Sabbath evening service. The broken windows have been replaced and new plaster put upon the walls. The neighbors in the vicinity are all cordially invited to attend the opening service.

CHILDREN FOR ADOPTION—The Boys' and Girls' Aid Society now has at its receiving home several children ranging in age from 2 to 12 years, for whom the management is desirous of finding homes in private families. The scissors were attached to Miss Hagerty's waist by a cord, and in brushing against the cord the point penetrated.

BOY RUNS AWAY WITH COLLECTIONS—Mrs. Jennie Bowman, of Portsmouth, reported to the police last night that her 12-year-old son, who was working for a butcher in that part of the city, had collected \$25 for his employer, put the money in his pocket and ran away to see the world. "PARSIFAL" INTERESTS.

Coming Sunday Concert at the Fair Promises to be Largely Attended.

The announcement recently made by Eilers Piano House that brochures containing a full synopsis of the opera, "Parsifal," could be secured for the asking at their store, has brought forth a very enthusiastic response. Numerous requests for them come from Portland, and from many outside towns.

The brochures, gotten up very artistically, tell in a clear but brief manner the beautiful story unbound in the wonderful tone pictures of Wagner's masterpiece. Less than two years ago the opera was only hearsay to all save a few favored people who had time and means to journey to Bayreuth, Germany, where, it was the wish of Wagner, the opera should be given exclusively for a period of 30 years. But its artistic worth would not permit such exclusiveness. New York was the first city outside of Bayreuth in which it was produced. Its music is now familiar to music-loving ears everywhere.

The coming Sunday concert is the first occasion on which this opera will be heard in Portland in its entirety. Persons who wish to be prepared to enjoy the work will be greatly aided by the books which Eilers Piano House is now so generously distributing. Out-of-town orders should be accompanied by a 2-cent stamp to cover postage. Store, 211 Washington street, corner Park.
