She stands at the head of her profession and deer not wish to be measured by any other standard than her own. She brings hundreds of personal indorsements from great people from nearly all civilized parts of the earth. Her experience and knowledge of life is broad, deep and profound, and when united with her most mayefour power of mediumship it makes of her all that she claims to be, the queen of life readers.

Don't fail to call and learn what gifts you possess. What are you fitted for, do you know? Find out at once.

This may bring you laurels for a thought. Did you ever think and ponder over the unfortunate turns in life. How many die

This may bring you haveled for a thought. Did you seer think and ponder over the unfortunate turns in life? How many die of lost art and undeveloped talents?

ELEVATE YOURSELF.

Do not enter a business, profession or trade which Nature has not intended for you. Humanity possesses strange and wonderful mental faculties. Some are born with a talent for a doctor, a lawyer, a preacher, mechanic, electrician. Others for farmers, florists, etc., etc. Should they take up and develop their latent power success will nine times out of ten crown their efforts.
