SEATTLE, Wash., June 21.-(Special.)-Loren D. Grinstead, of Spokane, was cho-sen graduate manager of athletics at the University of Washington for the ensuing year, at a special meeting of the board of control of that institution, held today, and plans were made to have the new officer devote his entire time to the work, increasing the salary from \$400 to \$1000. The general manager, under the new arrangement, will have entire supervision over all student enterprises.

Grinstead was graduated from the law department of the university during the present month, and has been baseball manager during the past year, in which office he has made the most creditable record that has been made at the institu-tion in years.
