THE MORNING OREGONIAN, MONDAY, JUNE 26, 1905.

project is the only one which apparently can be taken up, providing the people are ready to co-operate with the Government. Every effort is being put forth by the engineers to assemble data and prepare

should get together on some basis of quity and adjust their rights so as to be in a position to accept the Government offer, if final plane show the project to be feasible and within the proper limit of cost."

GUESTS OF SENATOR ANKENY

The Congressional committee on Irrigation. which spent a part of today here, left this afternoon for the Yakima Valley. From Eliensburg on through the arid districts of the state the committee will be the guests of United States Senator Levi Ankeny, and, if possible, will be taken to Sunnyside and through the Ynki-ma country. It is planned to meet the party with a special train at Ellensburg to take them through the Yakima coun-try. Monday will be devoted to a visit in Yakima.

Senator Newlands is hurrying through Washington, for he is to accompany Sec-retary of War Tail on his trip to the Philippines, and must sail July 5. For that reason a part of the Washington tour may have to be curtailed. If possible, though, the committee will investigate the

Toolgh, the committee will investigate the Palouse River project. "I believe Washington will get its full share of the reclamation funds," said Sen-ator Newlands here today. "The reclama-tion bureau has in mind the purchase of the Washington Irrigation Company's Yakima boldings, including the Sunnyside shall and its lateral system. The storms." canal and its Interal system. The storage lakes at the head of the Yakima River, Etitchelos and Kachees, are included.

"I do not approve the plan of Senator Carter to take the reciannation work out of the hands of the Interior Department, and I believe the Western members of Congress will vote against the plan. The revolution survey and reclamation bureau has been doing a great work, and has been most successful."

most successful." The reclamation bureau has just ap-proved the big Truckee-Carson project in Senator Newlands' home state, which in-volves a \$2,00,000 expenditure, the recla-mation of 200,000 acres of land and the sale to settiers of water rights at \$5 per acre. In Spatia the party mark shoes a bands In Scattle the party was given a lunch-con at the Rainier Club, an automobile ride about the city, and left at 4 P. M. for Eastern Washington, Senators Anke and Piles and Congressman Jones will with the party.

Baby Smugglers.

London Daily Mail.

London Daily Mail. An apparently respectable mainon car-rying an estensible baby in long clothes, was observed yesterday fumbling at a stall in one of the big shops of the Rus-de Rivoll. Paris. The observers of her movements were two detectives who had followed her into the shop, thinking they had seen her before. The men were cor-rect in their surmise, for the matronly person is a professional thief, with many westing convictions. She was seen lifetime

American. Success has also attended the importation of skilled American negroes, whose influence with the natives, said Mr. Leigh Hunt to a representative of Reu-ter's Agency, is of the best,
