### Resources Over \$1,000,000

Resources Over \$1,000,000 Some years are there was a very prodent and thrifty reverend gentleman living in Boutharn Oregon. He procured from us two of our certificaties of deposit, parable on D0 days' call, with interest at 4 per cent per annum. Attention and these certificates came back to us from New York City. The reverend gentleman had made an investment, and he found that his certificate was as goed as ceach to make payment for the same. It is always good to have your momer drawing interest until you find a permanent investment. Call on us and let us give you further examples of how these certificates work.
