UNIVERSITY OF WASHINGTON. June 26 .- For the past few days the student and faculty committees have been doing everything within their power to make satisfactory arrangements with the many creditors of Associated Students until the Pall. has been some time since the stude have suffered from such financial difficulties as at present. A number of individuals in the city have informed the association that unless its bills are settled immediately trouble result. It was feared that some of the notes which were outstanding would be collected from the indorsers, who were members of the faculty and friends of the college in the city.

Robert Evans, the graduate manager since the opening of the present year, tendered his resignation last week, assigning no reasons for his action. The board of control of student affairs ac-cepted his request, and, on account of the urgent need of a manager, appointed Loren Grinstead to act in his place notil the students get back to college next year. Grinstead at the present time is in Spokane and it is not known whether he will accept the position or not. Por the past Spring he had charge of baseball and as manager won the respect of the committee by his well-kept re-port and the result which he accom-plished. His department of athletics was the only one which paid for itself.

The patient can enjoy the same freedom while taking TRIB he would at any other time in life. After taking TRIB a few days, the desire for liquor or tobacco in any form will be a thing of the past. We say TRIB is a positive cure for the liquor and tobacco habits, and guarantee every treatment.

Rev. J. R. N. Bell, he oldest living chaplain of the Grand Lodge of the Masonic Order in the world, writes: A permanent cure at a normal cost is what the world has wanted for many rears. I have watched the results obtained by the use of your remedy, "TRIB." for the cure of liquor and tobacco habits, and I feel I can heartily recommend it to all in need.

Mr. N. H. Biarboard, well-known in the gold mines by all, writes: I was a constant user of smoking and chewing tobacco for & years. I took a treatment of TRIB about one year ago, it cured me, and my general health was never better than since I took TRIB. I have and will recommend it to all. It will do the work and leave your system in first-class condition.

condition.

Mr. J. W. Robinson, General Merchant, Ashwood, Or., writes: In the hopes of helping some of my fellowmen, I wish to add my testimonial for TRIB. I found the liquor habit growing on me, and having sold TRIB, and seeing the good results on others, I decided to give it a trial. Am proud to say that I have no desire for stimulants since. Anyone cursed with the appetite for stimulants will bless the day they decided to take TRIB.

VITAL WEAKNESS

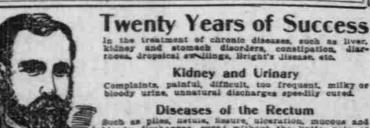

Above all other things, we strive to save the thou-sands of young and middle-aged men who are plung-ing toward the grave, tortured by the woes of nervous debility. We have evulved a special treatment for Nervous Debility and special weakness that is uni-formly successful in cases where success was before formly successful in cases where success was before and by other doctors deemed impossible. It does not atimulate temporarily, but restores permanently. It aliays irritations of the delicate tissues surrounding the lax and unduly expanded glands, contracting them to their normal condition, which prevents lost vitality. It tones up and strengthens the blood vessels that carry nourishment. The patient realizes a great blight has been lifted from his life.

We want all MEN WHO ARE SUFFERING from any
