Harvard First in Place.

At 4:40 o'clock Harvard was at her starting flag, and three minutes later the Yale shell was in position. Within five minutes Referee Mikelian had given his instructions to the crews, there was a flash of a pistol and the there was a flash of a pistol and the strong arms and broad backs swung back in the shells. The race had begun,

ack in the shells. The race had begun. Yale got the best of the start, and in the first half-dozen strokes was in the the first half-dozen strokes was in the the minimum and access strokes was in the attorneys, have been discontinued. George IL Squire, an ex-employe of the society, has been notified that the pension of salary of \$2000 a month will lead. Just before the first half-mile finished the half in 2:22, and Harvard | cease July 1. in 2:23. The Ells were leading by a good margin.

Harvard dropped her stroke to 22." and Yale again got back the second which Harvard had gained and the New Haven boat passed the mile and a half dag in 8.01 and Harvard in 8.04. The rews now began to attike the chan-ned below the navyard and Yale gas nel below the navyyard, and Yale got the benefit of the fast water. The time for the two miles was: Yale 10:57, Harward 10:51

Yale Dodges a Barrel.

The Barvard cockswain called for a spurt. At the same moment Yale came very near having an accident. An empty barrel had drifted into the course and it was floating so low in the water that the nose of the Yale shell was within a few feet of it when Cockswain Berkalow blacd with Harvard's spurt, cost Yale two of her six seconds advantage. Yale's By so doing the 'tax of one-half of one time at the three-mile flag was 15:37; Harvard 16:43. The last mile of the race was a fight

The last mile of the race was a fight The last mile of the race was a fight never to be forgotten by those who wil-nessed it. Just beyond the three-mile flag Meir, Harvard's No. 7, who hid been rowing a terrific race, seemed to

Remains of Indians of a Prehistoric Race in Maryland.

Depositors Will Get Little. CLINTON. Mo., June 3.-The affairs of the failed bank of Salmon & Salmon BALTIMORE, June 20.-A number of gi-gantic skeletons of prehistoric Indians, nearly eight feet tall, are reported to have been discovered along the banks of the Choptank River, in this state, by employes of the Maryland Academy of Sciences, and are now at the scademy building, where some of which is alleged to be on forged they are being articulated and restored. The collection comprises eight skeletons, of which some are those of women and children. They are not all complete, but

all the larger bones have been found, and there is at least one complete specimen of a male adult. It is believed the re-mains are about 1000 years old. Signs of the camps of later Indians also were re-Signs of vealed about ten feet above the graves

which contained the skeletons. At the point on the Choptank where the remains were found there are steep shelvting cliffs of sand and gravel that extend to the water's edge. Beneath this bank is a layer of mari. The graves are in the sand a few feet above the hard mari, and were covered by deposits of between 29

and 30 feet of sand and gravel.

Objects to Meat Ordinance.

MILWAUKIE, Or., June 28 - (To the Edltor.)-In reply to the letter of the Union Meat Company and Pacific States Parking Company in Monday's issue of The Orego-nian, that they have heard no complaint from section of the state of the section of the sectio

of the evening paper. The boys declared Leaps Into Chicago River. a boycott when refused and trouble has

Sem

he soperit when reused and rouses and brewed rapidly. Even some bloodshed has occurred today. This afternoon Chief of Police Dinan was notified that a riot was in progress in the neighborhood of the Bulletin office and a patrol load of pollcemen was hurried to the acene. A negro newsboy was found to be the center of the dis-

turbance and he was placed under arrest. The policemen were at once assailed by a great crowd of youths and pelted with sticks and stones. It was with difficulty that the police placed their prisoner in the wagon and when the vehicle was driven to the Hall of Justice it was fol-lowed by a howling mob which was dispersed by a squad of patrolmen. Seven

boys were arrested, charged with dis-turbing the peace and were sent to the There were a number of isolated dis-

incre were a number of isolated dis-turbances. George T. Knox, a notary, was struck on the head with a stone and suffered a scalp injury, because he was reading the boycotted paper. A number of Bulletin carlers were assaulted. Other persons suffered indignities and injuries, but did not report their cases to the police. police.

A Deputy Sheriff who was guarding an A Deputy americ who was guarang an old woman who sells newspapers was attacked a number of times, but beat off his assailants. The woman was roughly handled.

The violent scenes of yesterday were repeated today when the Bulletin ap-peared on the streets. Crowds of hoys selzed the papers and tore them into shreds. Carriers and boys were followed by the newsboys and papers taken from them and destroyed.

Capital Building Plans.

BOISE, Idaho, June 2.-(Special.)-The Capitol Building Commission has practi-cally decided to accept the plans offered by J. E. Tourtelotte & Co., of Boise. There were many competitors, and the commission has been deadlocked over the selection. The result has not yet here selection. The result has not yet been officially announced, but this afternoon three voted for the Tourtelotte plans. Of-ficial mouncement is withheld pending the making of an arrangement as to price of plans and specifications, it being the mtion of the commission to appoint its own supervisor
