A VACATION THOUGHT

Keep cheerful—Samuel Johnson once said: "It is worth Five Thousand Dollars a year to have the habit of looking on the bright side of things." That's true today as yesterday—and will keep thro' tomorrow. "Don't keep your kindness in water-tight compartments. If it runs over a bit, 'twill do no one harm." If you are going away for an outing over Sunday, or for a longer period, take the family with you—but don't forget to send them here to fill their needs ere they leave; and remember to keep the store at your elbow to lean on for all your wants while away. Our prompt and reliable **MAIL ORDER SERVICE** will save you money and time. Come down to the store today and get things ready. Be kind to the workers—and come before 6 P. M.

IT'S SO LARGE

"I find myself completely bewildered," said a lady who had been visiting the great Exposition. "I've spent the whole day and scarcely know what I have seen."
The Exposition is large and it's hard to find one's way around if not directed. At the same time it's very unpleasant to have to ask questions of everyone one meets. There's one solution of the trouble, and only one.

The Guide Book

The Official Guide directs you where to go and what to see. It sells everywhere for 25 cents. We furnish our patrons A **GUIDE FOR 5 CENTS.** With every purchase of \$1, or over, we give a coupon good for 20 cents toward the purchase of the Guide Book, when presented at the headquarters, Oriental Building, Exposition grounds.
