HOLD LIVELY CAMPFIRE—The veterans camped in Sellwood Park held a lively campfire Thursday night near the center of the ground. The program was a large attendance, many G. A. R. members being present from the city. Comrade Chapman was chairman. The program was opened with a patriotic song by Comrade Wolforth, E. A. Nealy, of Washington, delivered the main talk of the evening. He went over some of the salient events of the war and gave some interesting reminiscences. Mrs. George Durrie sang two solos, wartime songs, touching the hearts of the veterans. Comrade Adams again spoke with excellent effect. J. A. Newell, of Sumner Post, made a pleasing talk. Chairman Chapman also responded to a call with remarks. W. H. Lincoln convulsed the audience with two Irish songs. The program closed with singing "America," which was given with much spirit.

WANT GRAND AVENUE REOPENED—A meeting of citizens and business men interested in the reopening of Grand avenue will be held in the East Side Bank Monday evening. Proceedings for the rebuilding of the elevated roadway between Stark and Oak have been suspended for the reason that property-owners have not paid in their money to pay half of the cost of the improvement. This meeting will name a committee to see that the property-owners collect the money and deposit it subject to the order of the city, when the roadway shall have been completed. The city will not start this work until this money is deposited in this way, subject to its order. S. C. Cobb, formerly of the executive board, declared yesterday that the condition of Grand avenue was a disgrace and should be remedied at once.

AN EXCITING RUNAWAY—F. E. Johnson, who owns a ranch southeast of the city, had an exciting experience and nearly lost his life in a runaway accident yesterday. He and another man had loaded a ton and a half of hay on to a wagon and had started from the field, when the horses became frightened and started to run. Johnson and his helper were on top of the load and were unable to control the horses or leave the wagon, which was being hauled at a lively speed down the road. Gradually the entire load went to pieces. Johnson was pitched off and badly bruised. His right arm was torn and cut, but the bones were not broken. The other man was not hurt. Johnson remained unconscious for some time before being restored. Last evening he was resting fairly comfortably.

THREATENED TO KILL—Florence Revers, of Arieta Park, was arrested yesterday on a warrant sworn out from Justice Seton's court by A. W. Bennett, charging her with threatening to kill him. Clerk James Craib, assisted by Deputy Sheriff Robert Vance, served the paper on Mrs. Revers without difficulty, she agreeing to appear in court at 10 o'clock. The difficulty arose, so it is reported, between Mrs. Revers and Bennett on account of the undesired attentions of the latter to the former's young daughter, whereupon Mrs. Revers chastised Bennett severely. Time for hearing the case has not yet been set, but the evidence will doubtless be somewhat sensational.

CLACKAMA POMONA TO MEET—Clackama Pomona Grange, Patrons of Husbandry, will meet in Milwaukie next Wednesday under the auspices and as the guest of the Milwaukie Grange. The Woodmen of the World Hall has been secured for the seasons of Pomona and a banquet will be spread at noon and in the evening in the Town Hall. The largest attendance in the history of the Clackama Pomona Grange is expected, and Milwaukie Grange has committees of arrangement, reception and entertainment at work making preparation to entertain its guests.

NO OFFER TO SELL MADE—Mayor W. H. King, of St. Johns, said last evening that the St. Johns Water Company had not yet submitted a definite proposition to sell its plant, notwithstanding the announcement made last evening that the Council had received such offer. A member of the water committee said that the company had not yet submitted any proposition, although the company was willing to sell to the people of St. Johns, but did not give any figures as to the value of the plant.

DROWNED BOY WAS INSURED—Oliver Mitchell, who was drowned in the Illinois River, Southern Oregon, some time ago, was insured in favor of his mother, Mrs. E. A. Mitchell, 254 East Tenth street, for \$1500 in the Fraternal Brotherhood and \$500 in the Macabees order. Oliver Mitchell was 20 years old and was spending his vacation on the Illinois River. He was the only support of his aged mother.

HOMEOPATHS IN SESSION

PAPERS OF INTEREST TO DOCTORS ARE READ.

Discussion on Surgery Proves an Important Topic for Consideration of Delegates.

The Homeopathic Medical Society of Oregon, now in convention in Portland, is accomplishing much in detail work and the execution of well-prepared programs and the papers read yesterday and Thursday were pronounced by the delegates as thoroughly interesting and instructive. There is a large attendance and the program is closely followed. At yesterday's session the morning discussion was devoted to materia medica and the afternoon to surgery. Dr. S. A. Brown being chairman of the first and Dr. J. S. Bishop of the latter. A paper on alcohol by Dr. D. O. Webster, of University Park, was widely discussed, and "The Powerful Healing Qualities of Distilled Extract of Hamamelis," by Dr. F. G. Gehme, of this city, was another which called forth many expressions from the delegates. Dr. S. A. Brown, presiding chairman, discussed the subject of "Arteriosclerosis," Dr. Emma J. Wally, "Dysuria in Old Stone," and Dr. H. W. Schwartz had for the subject of his paper "Veratrum Album."

Surgery proved a subject universally popular with the physicians and surgeons both, and when Dr. J. S. Bishop called the afternoon session to order there was a full attendance. Dr. H. C. Jeffords gave a treatise on "Diagnosis of Surgical Diseases of the Abdomen," which was discussed by nearly every member present after the reading. Dr. Isabel Sedgwick, of Vancouver, read a fine paper on "Indicated Remedy After Operation." "Cystic Tumors of the Abdomen" proved of great interest as handled by Dr. Herbert S. Nichols, and "Spinal Anesthesia," by Dr. E. R. Bryant, of San Francisco, commanded equal attention. The paper of Dr. Bishop, the chairman, was on "Country Surgery."

The banquet at the Commercial Club last night, given for all members of the society, was a perfect success, and the guests lingered long around the board. The doctors forgot medicine and the suffering for the nonce and became just as human as their fellowmen in the enjoyment of things social. The toasts were many and merry, and after the banquet was finished the party took seats in waiting automobiles and had a fine moonlight ride over the city and out past the fair grounds, where the illumination was enjoyed.

There will be morning and afternoon sessions today. The program contains: 10 A. M.—Eugenics; George Wieg, M. D., chairman; H. E. Arnold, M. D., San Francisco, "Education in Race Improvement"; J. K. Reader, M. D., Ashland, "Kall Phos-Eugenically Exhibited"; George Wieg, M. D., Portland, "Wered out the Bad"; Ellis K. Dearborn, M. D., Portland, "No Danger of Race Suicide."

Third day, afternoon session, 1:30 P. M.—Gynecology, Gynecitis; Byron E. Miller, M. D., chairman; "The Avoidance of Intestinal Adhesions Following Abdominal Section"; Abdominal Section, Their Manipulations and Toilet." Ophthalmology, Otitis and Laryngology; C. L. Nichols, M. D., chairman; Phillip Rice, M. D., San Francisco, "The Mastoid Operation"; C. L. Nichols, M. D., Portland, "Adenoids"; "C. Brown, M. D., Portland, "The Avoidance of Intestinal Adhesions Following Abdominal Section"; Abdominal Section, Their Manipulations and Toilet."
