TACOMA, Wash., July 11 .- (Special.) -Tacoma outbatted Portland but was unable to get more than one run. Corbett pitched a splendid game and was backed by faultless support, Schlaffy and Atz doing some fast fielding. The visitors took advantage of Emerson's two bad innings, scoring all their runs in those two. Schlafly was hit on the wrist by a pitched bail, almost breaking the bone. Paul, an unknown in the baseball world, played in the

Until the ninth, Emerson pitched splendid ball. With one down, Van Buren and Cates singled, and Schlaffy was hit by the pitcher. McLean's single scored the first two, and on Runkle's single Schlafly was caught at the plate on Lynch's quick return. Lynch's double and Casey's single saved Tacoma from being shut The game was called at 6:30.

SEALS WIN OUT IN THE TENTH Whalen Pitches Better Than Hall, but His Support Is Inferior.

SEATTLE, July 11.—San Francisco won a hard-fought ten-inning game from Seattle today by a score of 4 to 2, tying the score in the ninth and winning out in the tenth. Whalen pitched much better ball than Hall, who was hit for 12 safeties and who was also wild. Until the ninth the score was 3 to 2 in favor of Seattle, errors by Irwin and Wheeler, coupled

with hits by Frary and Hart, having put the locals in the lead. A pass to Waldron, an infield out and hit by Hildebrand tied the score, and hits by Irwin and Wilson won the game in the tenth. The score: ...0000020000-35 Hall and Blankenship; Batteries-C. Whalen and Wilson Umpire-Bray.

It requires less ice than any other Refrigerator.

Walls consist of eight sections-two of wood, one of mineral wool, three of sheathing, one of zinc, and one space for the free circulation of air.

Air is of uniform low temperature in the food chamber. which continues in one direction, passing out after coming in contact with foods.

Sliding, adjustable shelves, which can accommodate any large vessel or melon. Racks made entirely of gal-

vanized iron. All doors, when closed, render the chambers air-tight.

Cushion Tires?

Well, it makes a lot of difference whether the tires of your buggy are steel, solid rubber, or the latest "cushion." Live Cushion Tires are hollow in the center, and bound so lightly over the bumps; also they are reversible, and they live twice as long as solid rubber. It's with these A-Quality Live Cushion Tires that the Connsesville Bike Wagon is equipped, the nobby \$125 rig we're offering for

Like everything about this buggy, the tires are HIGH GRADE and up to date. Drop in and see it. You envy a neighbor when he picks up a genuine bargain-a real saving of \$30.00 or \$40.00 on a \$125 article. Here's YOUR chance.
