## A Summer Sale That's Backed by Marvelous Bargains!

ANYBODY with money can buy some goods and hold a "Sale"—and wonder why big business fails to come as it comes to this thorough store. Think it over—that no World's Fair, even, ever showed such a collection of splendid merchandise, of such varied sort, gathered from the furthest parts of the producing world, as one may see any day at this great modern merchandise and fashion exhibit, that THE OLDS, WORTMAN & KING SUMMER SALES are vastly more than mere schemes for selling, and that if one would see merchandise produced by the master artisans of the world one must come to this store. This week has furnished the high-water mark in July selling for this store, which means the greatest volume of sales ever enjoyed by any Portland retail house. There's reason for this. Back of it all has been months of planning and confidence in the public's appreciation, which justified us in larger than usual buying. Therefore, better prices. No need to argue for the RELIABILITY OF OLDS, WORTMAN & KING merchandise—that is proven, proven by years of test. And if it were still unproved, the safeguarding guarantee, that is part of every transaction here, would still hold one safe. THE STORE IS CAREFUL. Poorly made merchandise doesn't creep into the truly great stores nowadays. Manufacturers have long since learned that RELIABILITY is the foundation stone of continuous success. There is poor merchandise still—yes, it goes to careless stores whose chief aim is to show something "big for the money." The bargains listed below for today are even bigger than they look in print. That's why OUR ADVERTISING PAYS.
