

NEW BATTLE OF SAN JUAN HILL

Negroes and Whites Have a Furious Race Riot in New York Streets.

MOB RULES FOR TWO HOURS

Arrest of White Man for Assaulting Negro Is Signal for Fighting. Army of Police Has Hard Struggle With Mob.

NEW YORK, July 14.—"San Juan Hill," the district bounded by Amsterdam and West End avenues and Sixty-first and Sixty-third streets, so-called because of its notoriety as a battleground, was the scene tonight of a furious race riot which required 250 policemen to quell, after many shots had been fired and several persons had been seriously injured.

The trouble began shortly after 3 o'clock, when a policeman arrested Edward Connelly for attacking Henry Williams, a negro, and was pursued to the station-house by a mob of Connelly's friends, hurling showers of stones and other missiles. When the station-house reserves turned out, the whole neighborhood was in an uproar and whites and blacks engaged in a desperate struggle.

Missiles Rain From Roofs. The small party of police were powerless, and reinforcements were summoned. On their arrival, a cordon was drawn around the whole district, and strong patrols made repeated charges down the streets in a vain effort to restore order.

Rioters Driven From Houses. Squads of men were sent along the roofs of the houses in Sixty-second street, where the fighting seemed heaviest. They walked from West End avenue to Amsterdam, clearing the roofs, and found that many chimneys had been torn to pieces to furnish ammunition.

Cars Wrecked and Destroyed. The rioting spread to Fifty-seventh street and to Sixty-eighth street, although the hardest battles were fought between Sixty-first and Sixty-third street. For more than half an hour cars on the Amsterdam-avenue line were blocked.

Scores Are Injured. In all, seven whites and two negroes had their injuries attended to, but scores of others, less seriously hurt, were taken to their homes by friends. Five whites and six negroes, among them women, were arrested.

AWAKENING OF JAPAN. Survivors of Perry Expedition Celebrate Great Anniversary. NEW YORK, July 14.—To commemorate the 121st anniversary of Commodore Perry's landing at Kushima, Japan, a reunion of the survivors of the expedition was held tonight at the home of W. M. Spelden, who was a purser's clerk on the flagship Mississippi.

ROBBED EDISON COMPANY. Ex-Employee In Italy Arrested for Stealing \$240,000. NEW YORK, July 14.—Henry Cople, an ex-employee of the Edison Company at Milan, Italy, is under arrest, charged with embezzling \$240,000, which he lost in speculation, says a dispatch from that city to the Herald. It is probable there will be other arrests. Shares of the Edison company fell on the Bourse in consequence of the revelation.

GREAT SHOCK TO DIVINE RIGHT

Kaiser Trying to Avoid Having Republic Established in Norway.

WANTS NEW KING SET UP

Visit of Fleet to Sweden Will Be Demonstration for Monarchist Principle—Oscar Advised to Appoint King.

BERLIN, July 14.—(Special.)—According to competent opinion here, and in spite of official denials of any alliance, the visit of the Kaiser's fleet to Swedish ports amounts to a demonstration in favor of monarchical government in Norway. Like other sovereigns, the Kaiser is shocked by King Oscar's unceremonious dismissal, which is a blow to the monarchical principle. Already in March, when the disposition for the fleet's summer maneuvers included a visit to Norway, the Kaiser, in view of the union trouble, said: "I know that the Swedes would feel uneasy over these unavoidable demonstrations. As far as I am concerned, therefore, both my cruise in the Hohenzoellern and the visit of my fleet to Norwegian waters must be abandoned."

ALLIANCE NOT PROPOSED. But Kaiser May Have Talked of It With Oscar. BERLIN, July 14.—The substance of the statement made at Stockholm yesterday to the effect that a German-Swedish alliance was seriously contemplated was submitted to the Foreign Office here today, and the statement was made that from the question of an alliance between Germany and Sweden had never come before the Foreign Office here, but that the subject of the slightest extent. Of course, the Foreign Office could not deny that Emperor William and King Oscar may have spoken of an alliance during their interview at Gelle yesterday, because the subjects of their conversations are not known here.

ILLNESS DELAYS WORK. But Construction of Western Pacific Will Soon Begin. DENVER, July 14.—The Post today says: Actual construction on the projected Western Pacific Railway has been delayed by the illness of Vice-President Charles Schlacka, of the Denver & Rio Grande Railway, but the work will soon begin for a way to influence a settlement. Such an idea is disavowed in advance.

OREGON HOLDS TROPHY. Has Highest Scores for Gunnery Among All Battleships. WASHINGTON, July 15.—According to an announcement made at the Navy Department today, the battleship Oregon has won the trophy for the high scores made by vessels of the battleship class at the last annual target practice. The same vessel won the trophy a year ago.

Dyspepsia. Don't think you can cure your dyspepsia in any other way than by strengthening and toning your stomach. That is weak and incapable of performing its functions, probably because you have imposed upon it in one way or another over and over again. You should take Hood's Sarsaparilla. It strengthens and tones the stomach, and permanently cures dyspepsia and all stomach troubles. Accept no substitute.

LET CHARLES TAKE CROWN. Danish King and Cabinet Agree on Acceptance. COPENHAGEN, July 14.—At today's Cabinet meeting it developed that the Ministers were in full agreement that King Charles of Denmark should accept the crown of Norway, if King Oscar and the other courts most nearly concerned expressed their approval. King Christian and the other members of the Danish royal family are also favorable to Prince Charles becoming King of Norway.

APPLY KNIFE TO GENERAL. Operation Performed on Head of Leonard Wood. BOSTON, July 14.—Reports from Pocomtuck, Conn., say that Major-General Leonard Wood has just undergone the delicate surgical operation of trepanning to remove a bony growth on his head. The operation, it is said, was entirely successful, and the General is making rapid progress toward recovery.

Arkansas Estimate of Grafting. LITTLE ROCK, Ark., July 14.—Representative George Chapline, of Monroe County, was today convicted of the charge of conspiracy to bribe. In declaring him guilty, the jury assessed the punishment at a fine of \$5.

President Will Lay Cornerstone. WILKESBARRE, Pa., July 14.—The County Commissioners of this county have decided to ask President Roosevelt to lay the cornerstone of the \$1,000,000 Courthouse here. President Roosevelt is coming here on August 19 to address the miners, and if he agrees to lay the cornerstone, it will be placed in position that day. The President will bring his son Kermit and his nephew Philip with him on the trip to see the coal regions and the mines.
