exemplary character and reputation. I heartily sympathize with his feelings in regard to the joint question. A man who regards his family and children would naturally resent anything which would tend to disgrace or injure them. I do not wish it understood that any judgment I may render indicates that I do not sympathize with the sentiments and feelings of those who believe in the enforcement of the prohibitory law. I have decided the matter, disregarding the standing of the defendant, public sentiment and everything except the law and the evidence.

THE OLDS-WORTMAN-KING STORE

"Different Store" & LEADING DEPARTMENT HOUSE ON PACIFIC SLOPE & "Daylight Shop"

Washington, Fifth and Sixth Sts. WELCOME, VISITORS This Store Closes at 6 P. M.

THIS STORE'S A STUDY

A stock of merchandise showing the handicraft of the people of three Continents. Better than a museum study of the Applied Arts. The OLDS-WORTMAN & KING Store has a work so wide it must needs be more than a store—must be a great university of business, teaching ethics and methods; bringing into play all that's best in men and women; opening the throttle that shall let brains work at their best and fullest. The man or woman who "hedges" on truth or takes short cuts to success is a back number. So is a store. Modern business is built sturdily—on fact. Else it crumbles.
