Tacoma used three pitchers in yesterday's game, but they all looked alike to the local boys who solved the shoots of each in a lively fashion. Portland batted both Emerson and Keefe out of the box in the first inning, when they found the Tiger twirlers for four hits, one off Emerson and three off Bobby, which with an error by Sheehan and a pass to Atz by the Santa Clara lad netted the Giants four runs. All this happened after Tacoma had scored ope in their half on Doyle's hit and steal, s fielder's choice and a safe hit by Truck Eagan.

Fitsgerald was sent out on toe hill in the second, and although he was touched up in a rather lively fashion in the first four innings he occupied the siab, no runs resulted until the sixth, when a pass to Schlafly, Run-kle's hit and Corbett's long fly allowed the former to score.

Tacoma scored four runs in the seventh after two men were out, when with Lynch on first, Runkle muffed Fitzgerald's pop fly, which error was followed by hits by Doyle, Sheehan and Nerdyke, and the score was tied.

The champions went up in the air.

The champions went up in the air in the ninth, and the locals pulled the game out of the fire when things began to assume an extra inning hue. Van Buren started the hall to rolling with a pretty hit into right field. Eddie House-holder rattled the Tiger infield with a dinky bunt, and reached first in eafety while Fitzgerald, Graham and Nor-dyke were doing a war dance in the effort to field the sphere. "Young Slash" tried to bunt, but after two fouls he hit a fly to left and was out. Ell Cates popped up a fly to Graham and two were down. Harry Schlafly and two were goved. Harry Schilling proved a good waiter and was passed to first filling the bags, when Lou Runkle redeemed himself for his error by laying down a neat bunt that so rattled Fitz that Lou reached first and Van Buren had crossed the plate with the necessary tally before the pitcher could pick the Spalding up and throw to first. Fits' error so angered Nordyke that when he received the throw he promptly hurled the sphere out of the

TIVERTON SWIFTEST TROTTER Beats Sweet Marie in Two Heats and Reduces Time.

PHILADELPHIA. July 19.—The speedy New York trotting griding Tiverton, 2:042, easily defeated Sweet Marie, 2:043, in a \$5000, match race today on the track of the Belmont Driving Club. Tiverton won in two straight heats. About 5000 persons saw the two grand circuit stars race.

Sweet Marie drew the pole. They were sent away on even terms in the first heat. Tiverton set the pace and before the quarter pole was reached had a slight to the winners and the runners-up have lead. As Sweet Marie passed the quarter pole, she broke and Tiverton took the pole. At the half-mile post Tiverton led by several lengths. Sweet Marie again broke at the three-quarter pole and Tiverton passed under the wire well in hand and two leaveths in the lead. His time been selected, and are on exhibition in the window of Woodard, Clarke & Co. A new feature of the interna-tional this year is that the Mulinomah Club has offered a handsome loving cup for the winner of the singles, which will be known as the Mulinomah cup, and which must be won three times by and two lengths in the lead. His time for the mile was 2:10% lowering the track record for trotters in a race one second. Tiverton led at the quarter on the sec-ond heat and increased it to three lengths at the half-mile post. Going to the three-fourths pole. Sweet Marie picked up some of the lost ground and both trotters came into the stretch almost on even terms. The spectators looked for a close finish, but at the 80-yard pole the mare broke and lost her chance to win. Tiver ton came under the wire in a fine stride, several lengths in the lead. His time was 2.07%, which places the track record at a figure hard to beat.

AMERICANS WIN MAXIMUN

LARNED AND WRIGHT DEFEAT AUSTRALASIANS.

Clinch Right Already Won to Confor Davis Championship

LONDON, July 19 .- The only interest in the third day's play in the Dwight F. Davis international tennis cup com petition was with regard to the possi-bility of the Americans gaining the maximum points against the Austral-asians, which they did, both William A Larned and Beals C. Wright winning their matches. Larned beat Norman E. Brookes, the Australasian champion, three sets to love, and Wright accounted for M. F. Wilding by two sets to

love.

The Australasian players were not anxious to play, as the Americans had already won three points out of five, proving their right to meet the holders of the cup; but the rules made it necessary for the teams to play out the three-days' programme. Wright and Wilding arranged to play the best two out of three sets instead of the best three out of five, and Wright won. The first set of the match between The first set of the match between Larned and Brookes was one more of endurance than a display of brilliant tennis. After that the game was without feature, except for the regularity with which each won his service. The American won. The second set fell easily to Larned, Brookes showing signs of fatigue. Larned took matters easy in the third set and won without effort.

The American team has improved wonderfully since arriving here, and has established beyond doubt its right to challenge for the cup.

The Americans have not selected the team for the challenge round which will be played at Wimbledon July 21, 22 and 24, but it is probable that Ward and Wright will play in the doubles and Clothler and Larned in the singles. After the match the American team will return direct to the United States to take part in the championships there. They are trying to persuade the Doherty brothers to accompany them. Larned's score against Brookes was 16-12, 6-0, 6-2. Wright best Wilding.

The "hand-riding" one had a chance to ride at the Sait Lake meeting, but declined. Since the Denver meeting closed Kelly has taken on weight, but he is so confident that he can do 110 that he has bet a dozen hats that he will make the weight before the Irvington meeting, in the scope of the law.

Already Irvington track has taken on a racing appearance and all day yesterday owners, trainers and stable boys were busy getting their strings into the stalls. W.
