All past July selling records in the great Apparel Salons are being smashed to smithereens. Our policy of **CONSTANT ACTION** has never before been so productive of continued activity on the part of our public. And constant activity pays—pays us and pays you. Now, while most stores are suffering from inertia, this house is forging ahead, beating all records and smashing all precedents. Continuous activity, on the go continually ourselves and keeping everything around us moving. Stocks must march to quicksteps here—unusually. No let-ups. It doesn't pay to relax for a moment, and we don't relax. Now putting this thing to a forced march, and then turning to that, as full of snap and action as a young bull pup. We've turned the price-cutter loose all over the Ready-to-Don Section. We have used the pruning-knife recklessly all over; and now those who have waited for **SPECIAL SALES OF SUPERB EVENING COSTUMES** have their turn.
In addition to the advertised values of the great three-day sale, as mentioned above, we shall place on the **SPECIAL SALE RACKS TODAY** a lot of handsome Evening Costumes for wear at the opera, the theater, or various social functions of the coming "gay season," or the many society events that take the attention of Portland's "Smart Set" during the Summer months and Exposition period. These beautiful creations are of crepe de chine, peau de soie, peau de cygne and rich taffetas; a color range which embraces all the leading shades and colorings, including blues, in light and dark, pearl grays, champagnes, plain black, white, browns, pinks and yellow or golden shades. Dainty and elaborate trimmings of laces and embroideries. All Skirts have taffeta drops. The values represented include those up to \$45. All go in at one price—but for one day only—today—at..... **\$13.98**
