MID-WEEK BARGAINS OF THE MID-SUMMER SALES!

SEASONABLE MERCHANDISE AT PRICES THAT WILL ELECTRIFY THE TOWN

A week yet of July, all of hot August, and surely half of September, all ahead, of hot weather. Probably warmer than the first half of Summer that's now making its adieu. Thousands are just waking up to the fact that tropical apparel and other things conducive to Summer comfort are needed. Just about half the Summer is gone, and we've fitted out about half the people with needables. Our buyers are in market where manufacturers and importers are knee-deep in Autumn preparations. Things that makers exacted a profit on days ago, and weeks ago, are now being sold at a loss—and we are getting a full share thru' the store's alert and eagle-eyed buying corps. The inpour is only exceeded by our tremendous outlet. Sales are exceeding those of a year ago by a hundred per cent, and fresh merchandise, far below value, to the extent of thousands of dollars, is coming in daily. The vast number of bargains we are getting is only exceeded by those we are giving. The money-saving benefits are more numerous, even, and more attractive, than at the beginning of the Midsummer sale. Never were better or greater bargains planned than for today.

"Don't pay more than 20c a pair for stockings named after me."—Yours truly, "Buster Brown."

The BUSTER BROWN STOCKING

REJOICE THAT THE BUSTER BROWN STOCKING IS A DOOR TO HOSIERY AND A SNIP FOR JANTA CLAIR BUSTER BROWN

"I don't know what I ever done to have my name trodden under foot. May be 'a rose by any other name might smell like a sunflower,' but I don't believe a stocking by any other name would be half so popular. Some say there are stockings that wear better, but that don't make any ice so long as they reach to the knee. However, I have resolved that so long as I have to wear 'BUSTER BROWN' stockings, or to buy stockings for my sister, I won't pay over 20c a pair for them. That's what OLDS, WORTMAN & KING sell 'em for—and it's enough. Am going down there today to get some. Yours, "BUSTER BROWN."

"Buster Brown" Stockings and Stockings for Buster's sister are but 20c a pair—one pair or a hundred pairs, but none to dealers. Drawing Books FREE. No bother of saving coupons. No red tape, but 5c a pair saved on the Stockings from the prices of other stores, and all the "trimmings" free from the start. Hosiery Section, first floor.

This morning at 9 o'clock is the hour—the great second-floor Apparel Salons the place. For several years it has been our practice at about this time to hold a general clearance of the Summer Shirtwaist stocks. Thousands there are who will remember former sales from having attended them and benefiting from them. It is our purpose to start these clearance sales of Waists today. The price at which we have marked the beauties really seems ridiculous, but our reputation is behind every Waist and quality is woven thru' with style. We always start every season with absolutely new goods. Our losses in this sale will be heavy, but must prove an eventual gain; it will surely prove a mighty gain to all who come and share today. Most astounding money-saving opportunities! Prices are cut as never before in all the sales of the year. The collection includes dainty lawns, mercerized linens, percales, ginghams, madras, etc. Plenty of pretty whites, trimmed with fine laces and embroideries, pinks, blues, pink and white, blue and white, black, etc. Polka dotted, striped, checked, dotted and figured in pretty "Dolly Varden" designs. Some are mused from handling, some may be slightly soiled, but none are in such condition that one laundering will not make 'em fresh and perfect as the day they left their makers.
