men were being carried on with members of the Imperial Yacht Club at Kiel. The German Emperor is understood to have manifested a keen interest in the proposal, and is disposed to favor it. If satisfactory conditions can be formulated, it is practically certain that the races will be arranged.

He made a score of 181 out of a possible 200 in slow firing. In rapid shooting he made a score of 97 out of a possible 100.

Plans for the A. A. U. Team Championship Games, Which Will Begin Today at the Exposition Grounds.

The couple of hundred persons, principally athletes and members of the A. A. U. and Fair sports committees, who assembled at the stadium yesterday afternoon, were treated to a surprise when

they witnessed the breaking of a world's pedestrian record. It was a sort of an impromptu affair, for Rah Young, formerly of this city, and his brother requested Director Kerrigan and Secretary Sullivan for permission to walk against time, with the proviso that any record they should make would be sanctioned by the A. A. U., which concessions were granted them. In the effort to lower the 46-year-old mark of 1:22 made by Harry Curtis, of England, in America in 1861, they met with failure, for the elder Young was disqualified shortly after the start, and William finished in 1:33 2-3.

Try for 220 Yards. After a rest of half an hour, they tried for the 220-yard record of 0:39 2-5, made by William Parry, of Williamsburg A. C., on July 4, 1882, which was beaten by William Young, who walked the distance in the remarkable time of 0:38 5-5 seconds.

OREGONIAN FORM CHART. 11th day. Weather fine. Tr. fast. F. St. D. Skinner, presiding judge. F. E. Mulholland, starter.

Cerro Santa Was Meant.

Herbert must have had a "sinking" spell, for he gave the filly a mush-and-milk ride. Peter J., under the splendid ride by Powell, took the lead at the start, and after that it was a procession to the wire. Toupee, who was third, was only a fair race, but is improving and will bear watching from now on. Funny Sid might win in such company if she had mud.

Pencillers Hard Hit.

Those pencillers got "theirs" in the last race, when Besse Welfy won the mile race, but those who were speculating would regret nothing to do with him. A bundle of Uncle Sam's legal tender went in on Besse, and when the pay line was paid off the bookies found themselves about \$500 short. She was off well, and met with a lot of easy interference, and little J. Clark, whose throat was almost cut off with the barrier ribbon the other day, had to make up a mile, the post and Otto made the Kingstomare had the speed and the Indian sign on the rest, and on the run up the stretch she galloped over her field and finished in front by four lengths. Ootie Weathers, at 12, was second, and Junger at 12a was third.

The feature of today's card will be the Harry B. Smith handicap, a six-furlong scramble that will bring together nine horses. Whiskey King, who won his last out at Seattle, will make his initial appearance at Portland in this race. He was here last year, but at that time he was in the hospital. This horse with the convivial name is notoriously a bad actor at the post. He can kick the eye out of a goat, and when ready can run the best out of the best of them. Mr. Smith has added \$20 to this race, and every horse will be trying. Today's entries follow:

First race—Six furlongs, selling, 4-year-olds and upward. Ind. Horse, Wt., Ind. Horse, Wt., etc.

QUESTIONS THE JUDGMENT

R. A. B. Young Thinks He Should Not Have Been Disqualified.

When seen last evening regarding his being disqualified in the attempt to lower the world's championship one-quarter-mile walk, and being barred out of the eighth of a mile, R. A. B. Young, of the Pacific Northwest mile walker, said: "It would seem that James E. Sullivan, being from New York, ought to know all about walking. The fact that Mr. Sullivan competed years ago in a walking contest in which he admits having been repeatedly disqualified might be proof, however, of one questioning his judgment. Another remarkable thing about how much Mr. Sullivan really knows about walking is that you cannot find a record standing to his credit at this time, nor can you find any trace of his making any. There seems to be no question about the fact that Mr. Sullivan has competed, however.
