JUNIOR RECORDS BROKEN. 100-yard dash-By Parsons, of Cali-

Pole vault-By A. C. Gilbert, of Multnomah; height, 11 feet 1 inch. Broad jump-By Dan Kelly, of Multnomah: distance, 21 feet 9% Junior Record Equaled.

220 yard dash-By H. Greman, hicago; time, 22 2-5 seconds.

The Multnoman Amateur Athletic Club of Portland won the junior championship meet under the auspices of the Amateur Athletic Union at the Fair grounds stad-ium yesterday by scoring 69 points to 26 or their nearest competitors, the Olympic Nub team of San Francisco. Yesterday's events were merely

or contests, and were not as interestng from a speciator's point of view as will be the games on achedule for today, for when a contestant won an event in the junior competition he was immediately disqualified from further participation, for he became a senior under the rules of the A. A. U. This rule practically put the Olympic Club out of the competition at the start, for their hopes of victory were centered in the chances of Victor Lidga winning enough seconds and thirds to give them the necessary majority to win. Lidga was jockeyed out of the meet by Friessel and Kerrigan in the 230-yard high hurdles, when they deliberately per-mitted him to finish first. The Multnomah boys worked this trick smoothly, for the Olympic Club man had entered with the intention of taking second or third place, but the local men, who were in the lead, practically stopped after taking the last hurdle, and their opponent breasted the tape in the lead, Lidga's protest to Secretary Sullivan was uncalled for, as he was simply out-jockeyed, and should have shown true sportsmanship by letting it go at that. Several of the standing junior nship records were broken, and thers equalled by the competitors in yes-

terday's games.
The first junior record to be smashed was the 100-yard dash, when Parsons, of California, made the distance in 10 flat, which is two-fifths of a second better than the previous A. A. U. junior record. A. C. Gilbert, of Yale, entered under the colors of the Multinomah Club, broke the unier record for the pole vault, by vault-ng 11 feet 1 inch, which is 1 inch better han the previous record of Bascom John

the A. A. U. junior record of 22 2-5 seconds for the 220-yard dash. In this event For-cest Smithson, of the Multnomah Club, ched his leg as he was overhauling speed and finished second.

Several of the competitors who were entered in the last events were disquali-fed by winning in earlier contests, which eft some of the entries with a single competitor, as was the case in the two-mile cun and the 56-pound weight-throwing wents. Mays being the only starter in the two-mile run and O'Sullivan having no apponent in the weight-throwing.

New Mark in Broad Jump.

Dan Kelly, the former Columbia Uniultnomah Club, broke the junior record the broad jump, when he set a new mark of 21 feet 5% inches. The previous scord was 21 feet 31/2 inches. Kelly made its jump on his first trial, and as he is to compete against the crack jumpers. Hall of the Olympic Club and Friend and Paton of Chicago, in today's events, he not try to better that mark.

The competitions on the programme for today are composed of the cracks in he senior events, and the talent enered comprise the very best men in the country. Ralph Rose, of the Chithird: time, \$10.

Fighting Lacrosse Tomorrow.

Two old rivals who have not much love for each other, the Portlands and the Seattles, will play their first lacrosse match this season tomorrow afternoon at 2:30 o'clock, at the baseball grounds, Twenty-fourth and Vaughn streets, when surgeons and an ambulance will be in order. Last season, when these clubs faced each other for the first time at Scattle the fight was so fierce that one of the Portland players sustained a broken arm, and four other players on both sides were severely injured. Police will be present tomorrow to see that a "free-for-all" does not take place, but all the same a warm time is expected. The Portlands: Sanderson, Hyatt, Porter, Campbell, C. A. Stewart, McKay, Jen-nings, Hawes, Hamilton, Williams, Dan McNicoll and McDougall. The Seattles: McDonald, Yorke, Williamson, Greene, O'Brien, Wallace, Hall, Milne, Hague, Cameron, McCance and Graham. Good Cheer Receives Heavy Play, but Finishes Outside the Money.

WATERCURE WINS RACE

Second Race Is Won by El Verraco Lieutenant Is Given Hard Ride by Hoffman, and Captures Fifth Race.

Toupee, Mrs. F. Gabriel's Tenny-Flores elding, won the Harry B. Smith Handicap yesterday afternoon at Irvington track, and once more the "muchly" touted good thing, Good Cheer, met horses that made her look cheap. The bulk of the money went in on the chestnut daughter of Ponso, and, while she ran a good race, taking into account the rough journey she had, the fact of the matter is that she met several horses that can take her measure any time they are right. Graham rode a nice race on the winner. He took Toupee back to fourth place until straightened away for the wire; then he set to work on him and won by a length. Sea Air was second, and she did her best to bent Conreid a head for the second

noney. The bill, on the whole, was a good one, and the favorites split the card. cure, another of those Latonia birds, after taking the overland route, won the last race. The Watercress geiding relast race. The Watercress gelding re-cently changed hands. His owner sold him and bought Dixelle. Both were in him and bought Dixelle. Both were in the same race, and because Dixelle had won a couple of smashing good races, she had quite a following, while Watercure raced practically unbacked. Dixelle showed nothing because she never had a chance to get out in front. At that she was only beaten a nose for the small end of the purse. Blissful looked like the real good thing in the race, but she turned wide entering the stretch, in spite of all that Graham could do. It is doubtful whether she could have won even if she had clung to the rail, for Watercure had to go round the field, and then won coming on the extreme outside all the way up the stretch. Diamante was played, but he suffered hard racing luck from begin-

ning to end. The opening ning to end.

The opening race of the card was won by Great Mogul. Paul E. Jones, who was second, was interfered with at the start, but came again, but was never in a place where he could extend himself. Litture of the grant o tle Adele wanted to run out in the grass, and Loague had his own troubles all the way. He finally did land her third, and would have been a contender but for this. would have been a contributed up the favor-ite, dogged it badly. El Principe can do better, and will bear watching the next time he meets such company.

El Verraco a Winner.

Loague gave El Verraco the kind of a ride he likes and he won the second race by a length and a half. The boy avoided the early pace until the scramble for home came, then he set down on him home came, then he set down on him and hustled him to the front so far that he had enough left to stail off the deter-mined bld that T. Stewart made with Dr. Sherman, who hung on gamely. Holly Berry got "hers" after the barrier went berry so and after being bumped about con-siderably; she came on and was going strong at the end. Charley Schweizer was in a pocket all the way and got lost in the seams. Sir Christopher, after lead-ing for three-quarters of the way, stopped as if he had been shot and faded away to

nothing.

Alencon, the heavily played good thing in the third race, made the field behind him look very cheap. He opened at evens and there was such a continuous stream of money played on him that he went to the post at 3 to 5. A bet on him was like money in the bank, for when Herbert made his move with him going down the back stretch it was the dust that his heels kicked up for the rest of them. Mable Bates did her best, and like Alencon, she was the best of the rest. Light of Day, after dropping out of it, rounded the far turn, came again and closed with a rush that landed her inside the money. The rest of them were of little account in the company they found themselves in.

Lieutenant Wins Fifth Race.

Harry Stover, who just now is over in England, or on his way, with Kennel-worth whom he sold recently for \$30,000 land, defeated Hunter and Sm to English parties, won the fifth race with The Lieutenant. The Brutus-Prin-banks finished the 18 holes in 78.

cess golding got the ride of his life at the hands of Hoffman and it took titls ride to win for him from Lustig. Hoffman be-gan flogging The Lieutenant right after the start and he never quit swinging his bat until he flashed under the wire. Rodiffo was handed out to the few as the real candy, and when they entered the head of the stretch it looked as if he was going to win. Loague gave the bird a good ride, but he stopped as if hit on the head with a hammer, and the boy had all he could do to land him third.
