ABOUT HALF A MILE FROM PLACE OF DROWNING.

Frank Freeman Plunges Into Surf at Seaside and Brings the Remains Ashore.

SEASIDE, Or., Aug. 7 .- (Special.)-The body of Miln Dayton, who was drowned here Friday, was recovered this morning at 11:30 o'clock, after having been in the water three days almost to the minute. This morning Frank Freeman and his brother Darrow, of Portland, were on the beach near the mouth of the Necanicum River, shooting at marks, when Frank noticed what looked like a log rolling in surf and was about to take a shot at it when he saw it was a human body. He at once plunged into the water and ught the body to shore.

Word was carried to the Hotel Moore and a team was sent to get the body. word spread like wildfire and a large number of men, women and children hastened to the place where the unfortunate young man lay on the sands about half a mile north of where the drowning urred. On the arrival of the wagon body was taken to Gordon's cottage where it was prepared for burial

Funeral services will be held here to errow at 2 P. M., and will be conducted by Rev. Dr. Short, of Astoria. The re-mains will be taken to Portland on the 5 e'clock train and will be buried from Holman's undertaking parlors Wednesday.

QUARREL OVER RACEHORSES

Joseph Thomas Shoots William Mor-

rissey at Roseburg Fair Grounds. ROSEBURG, Or., Aug. 7.-(Special.)-Ex-

cited by drink and angered because some racehorses in his care were taken away, William Morrissey attacked Thomas with a pitchfork at the fair grounds here this afternoon. In self-de-fense Thomas used a revolver, shooting Morrissey just below the left clavicle, the ball lodging in the shoulder, making a

dangerous wound.

Thomas surrendered himself to officers,
Morrissey refusing to swear out a com-plaint. Both were horsetrainers.

Run of Salmon in Lower Harbor.

ASTORIA, Or., Aug. 7.—(Special.)— There was a decided improvement in the run of fish in the lower harbor on the flood tide today and the seiners on Sand Island did better than for some time, one of them getting 12 tons in two hauls. The other seiners on the island secured from three to five tons each.

In Baker's Bay and outside traps also did well, their catches averaging from one to three tons each this afternoon. The inside traps, however, did nothing. As the gillnetters fish only at night on account of the clear water, the size of the new run or spurt cannot be determined until they report tomorrow.
