SPECIAL SALE OF BOYS' AND GIRLS' SHOES AND STOCKINGS FOR THIS WEEK

Including some wonderful values among the offerings. We have planned special accommodations for the children during this sale, and engaged extra salespeople with an eye to best possible service for the boys and lassies. We selected footwear—shoes and stockings—as the sales vehicle by which we would distribute these offerings, as we are aware that there's no boy or girl but who wants shoes and stockings at all times, and especially during the vacation days, when romping wears them out faster than at any other time; and they want plenty of them—and GOOD ONES. That's where we "shine." Good Shoes and Good Stockings. This week extra good bargains. So, with EVERY pair of Boys', Girls', Youths', or Misses' Shoes, no matter what the price, and with every sale of Children's Stockings amounting to \$1 or over, we will give FREE a ticket entitling its holder to one ride to and from "THE OAKS" and admission to the grounds, ticket good any time within 10 days. We expect to see three INFLUENCES to work right away with this announcement: THE INFLUENCE upon your mind direct, impelling you to buy, on account of the lessened prices; the INFLUENCE of your acquaintances who may have bought before you, and being impressed with the bargains, mention them to you; and the INFLUENCE of your own child, who hears of this generous offer, and says: "PLEASE BUY." Remember, SHOES or STOCKINGS. AND MATCHLESS BARGAINS. Tickets good for any child of 12 years or under. Read a few of the prices that hold during the sale, or so long as lots may last.

Final Drastic Cut on Bathing Suits Kuttwear Shops—First Floor. Going to the shores this Summer? If duties compel your presence at home you'll surely not miss your daily swim when such facilities as are afforded at "The Oaks" exist. Of course, you could hire a suit at other places that had been worn by a host of folk who had been there before you, and probably you would run no risk, and yet, on second thought, wouldn't it be really better to be absolutely SURE of not getting next to undesirable contamination by wearing your own Bathing Suit? Especially when the prices are brought so low as this reduction leaves them. The chief of the Kuttwear Shops sends us this copy: "Amongst fierce cut in prices of WOMEN'S AND CHILDREN'S BATHING SUITS, CAPS AND SHOES." We don't blame him for being "fierce" in the matter. It must make one at least look twice at those to have to slash prices this way on desirable goods. But tails hasn't been a good beach season and we've too many Bathing Suits.
