HEAVY HITTING TRIMS ANGELS

Van Buren Captures a Difficult Drive and Cuts Off Three Runs.

MITCHELL GETS HOME-RUN

McLean Is the Star With the Stick. Hoffman, the New Third Baseman. Makes a Good Impression.

PACIFIC COAST LEAGUE. Yesterday's Results. Portland 6, Los Angeles 0. Tacoma 16, Oakland 7. Seattle 6, San Francisco 3

With Will Essick pitching the steadiest kind of ball resterday the local bunch trimmed the Los Angeles team in the second game of the series, for not only were the visitors beaten but they were sent to their hotel runless.

The fact that the Angels' portion of the scoreboard was decorated with a string of horse collars can be directly attributed to a phenomenal catch, was nothing short of that, by the old reliable Eddie Van Buren, who cap-tured an almost impossible drive from the bat of Captain Dillon, which he turned into a double play, retiring the side, when it looked as though the visscores. It was by long odds the prettiest catch of the season and was ex-ecuted after a hard run.

The sixth inning witnessed this feat when with Bernard on second and Smita on first, Dillon caught one on the eak and the sphere flew toward the flagpole. Van Buren scratched gravel flagpole. Van Buren scratched gravel in the direction of the ball, and the men on the sacks thinking it an impossible catch dug out for the plate. When the Giants' speedy center-fielder overhauled the ball and pulled it down with one hand, Barney had crossed the pan and Smith was in the act of turning third, which made it possible to complete the double with ease. This was the only instance when the locals were in serious danger of allowing a score, for although Essick was found frequently he held the visitors safe Bernard, Smith and Brashear were the only ones who found the curves of the blonde at all to their liking, and this secured almost all the hits ac-

quired by the Angels. Mike Mitchell's Home Run.

Another thing that tickled the crowd was a home run swat by Mike Mitchell, remain in the who scored the first run of the game duties as umply lacing one out of the lot via the of the circuit. right field fence, as the first man up in the second inning. After Mitchell had made the circuit the locals scored two more tallies before being retired. Jud Smith made a pretty stop of Schlafly's drive, throwing the batter out at first, and Householder flew to Bernard. After two were thus disposed of McCre When McLean singled and Hoffman walked and both tallfed on Bill sick's two-sack drive to right field.

Hoffman Makes a Hit.

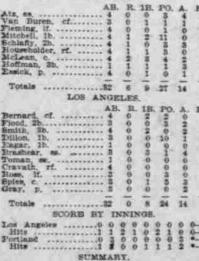

Hoffman, the new third baseman made an excellent impression on his first appearance, for he fielded his position excellently, and secured three the bat, which gives him a perfect average for the day. He is a fast man on the paths as was evidenced when he scored all the way from first on a -bagger to right.

Schlafly and Atz made several neat stops and throws, getting their man in each lastance. McLean was again the star with the stick, for the big fellow laced out three corking hits and scored two of the local runs. Mike Mitchell was also there with the stick and his homer was the signal for a demonstraon the part of the spectators.

The locals amassed three more in the eighth on an error by Flood and hits by Householder and McLean, the latter's being a two-bagger, and some bad playing on the part of the Angels who permitted Householder and McLean to score after both were caught between the bags, Dillon and Brashear found fault with the rulings of Umpire Davis and were bounced.

TIGERS DO HEAVY BATTING

Three Pitchers of Oakland Team Fare Alike.

SAN FRANCISCO, Aug. 9 .- Poor delivery by three pitchers, coupled with a record-breaking number of errors by Oakland, gave the first game of the present series to Tacoma by a score of 16 to 7. Oakland was batted for 15 hits and made 11 errors.

After allowing nine hits in six in-nings, Hogan was replaced by Pierce, who pitched two innings and in turn was relieved by Schmidt, in the last in-ning, but without improving the for-tunes of the Oakland team. Brown was

R. C. Hill, aporting editor of the Tacoma Ledger, is spending a few days in Portland, and yesterday witnemed the local club trounce the Angels. Hill said: "At the league meeting be held in Portland next week, the Tacoma magnates are going to make a determined effort to have the admission fee of 35 cents reduced to the old figure of 25 cents. They argue that the reason of Tacoma's lack of support toward the Tigers is due entirely to the 16-cent increase, and they intend to make an effort to have the old standard renewed." In answer to a query as to the sale of Bobby Keefe, Mr. Hill said that as far as
