# VERNON

Home, Sweet Home.

Was there ever anything said in three words that touches the heart more than "Home, Sweet Home"? A rented house is not a home, it is only a stopping place and a very expensive one at that. Every hour's work done on a home of your own is for yourself, but anything you do on a rented place is lost. Why don't you buy a lot in Vernon and build your own little home? We will help you. First go out and take a look at the beautiful site of Vernon, talk with our agent on the ground, then call at our office and we can explain how you can have a "Home, Sweet Home" of your own.
