TWO MEASURES

Council Has Ordinances to Consider.

WILL REPEAL PRESENT LAW After Taking a Slap at the Mayor by Passing Statute Over His Veto, Council Will Repeat It and Pass New One.

The action of the City Council in over-riding the Mayor's veto of the box ordinance was productive of a great deal of speculation yesterday as to the outcome of the matter, and considerable curiosity was expressed to know which of the two measures introduced by Councilmen Masters and Bennett, respectively, would ultimately take the place of the one that became a law in spite of the Mayor's veto.

In view of the general interest attached to the matter, a full text of the two measures is given herewith. They will both be considered by the Council, which adjourned to meet in regular session next Wednesday. The Masters ordinance provides:

Section 1—No person engaged in selling, distributing, malt or fermented liquors or wines in any saloon, barroom or restaurant in the City of Portland shall sell any liquor to be delivered or used in any side room, back room or upper room, alcove, booth, box, stall or other apartment in the same or any adjoining building used in any way in connection with such saloon, barroom or restaurant, or maintain any alcove, booth, box, stall or other apartment in connection with such saloon, barroom or restaurant, unless said room, alcove, booth, box, stall or other apartment shall be directly connected with said saloon, barroom or restaurant by an arch or doorway not less than five feet in width and six and one-half feet high, which arch or doorway shall not be closed or obstructed by any door, curtain screen or any contrivance of any kind or character that shall prevent a view of the interior of such room, alcove, booth, box, stall or apartment the full width and height of said arch or doorway, provided, that nothing herein contained shall prohibit the serving of such liquor to guests in a hotel having a valid license to sell the same, or the serving of the same in any room adjoining any restaurant, which room has a floor space of 400 square feet.

Section 2—Any person convicted of violating any of the provisions of this ordinance shall be punished by a fine of not less than \$5 nor more than \$100, or by imprisonment not to exceed 30 days, or both fine and imprisonment.

The ordinance proposed by Councilman Bennett is equally short and to the point. It reads:

Section 1—No person engaged in selling, distributing, malt or fermented liquors or wines in quantities less than one quart in any saloon, barroom or restaurant in the City of Portland shall sell any liquor to be delivered or used, or that shall be delivered or used in any side room, back room or upper room or other apartment in the same or any adjoining building, or shall maintain therein or connected therewith any alcove, booth or box or shall have or maintain any private or separate entrance for any particular class of customers, or any words or sign upon any entrance signifying that such entrance is for ladies or families or for any particular class of persons, or is a private entrance to such barroom, saloon or restaurant, or to any other apartment used in connection therewith; provided, that this ordinance shall not apply to restaurants, hotels or saloons in which the floor space has a floor space of more than 100 square feet, which shall have an opening immediately upon the main floor of the said saloon, barroom or restaurant, not less than three feet in width by seven feet in height, said opening to be void of any and all obstructions to the view from the main floor of the said saloon, barroom or restaurant.

Section 2—It shall be unlawful for any person to conduct, carry on, open or maintain any restaurant, barroom or saloon in the City of Portland, that has connected therewith any box, booth, stall or any private room, except as hereinafter provided; provided, that this ordinance shall not apply to restaurants, hotels or saloons in which the floor space has a floor space of more than 100 square feet, which shall have an opening immediately upon the main floor of the said saloon, barroom or restaurant, not less than three feet in width by seven feet in height, said opening to be void of any and all obstructions to the view from the main floor of the said saloon, barroom or restaurant.

Section 3—No person convicted of violating any of the provisions of this ordinance shall be punished by a fine of not less than \$100 or by imprisonment not to exceed 30 days.

Section 4—No person convicted of violating any of the provisions of this ordinance shall be punished by a fine of not less than \$100 or by imprisonment not to exceed 30 days.

Section 5—No person convicted of violating any of the provisions of this ordinance shall be punished by a fine of not less than \$100 or by imprisonment not to exceed 30 days.

Section 6—No person convicted of violating any of the provisions of this ordinance shall be punished by a fine of not less than \$100 or by imprisonment not to exceed 30 days.
