Those Giants get fat on double-headers. Yesterday they smeared a double coating of varnish on the Commuters, duplicating the trick of July 4th, when they blanked the Tigers twice. In addition to taking the two games from the leaders of the the two games from the leaders of the league, who are no longer leaders be-cause Portland by its double victory toppied them off their lofty height, they took five out of the eight games that constituted the series.

The morning game went to the Giants 3 to 0. Essick beating Ham Iberg. The matines was a 5-to-0 score with Teddy Corbett defeating the new Commutter recruit. Blearnd. Portland's two games were as pretty and fast as the most rabid fan could wish for. Sharp and perfect field were the features of both engage-ments. Atz. Schlafly and Mitchell were the bright and shining stars of the Port-land infield. In the morning game they made a rapid-fire double play and in the afternoon they completed three. Two of these started with Arz going to Schlafly and closing with Mitchell Jakey Arz was also there in the bingle-fest that was held. In five times up during the afternoon he hit safe four times and is credited with a sacrifice. Householder is another Giant who whaled the ball. It reconined for Deacon Van Buren to break all previous records. Now the Red Enteron can croak of "perfect home runs. Van clouted one that rolled to the centerfield fence and while Van Haltren and Sruger were trying to gather it Buren became a tourist and made the circuit of the bases. This is the second hom run that Van Buren has made withou driving the bull over the fence during the Oakland series.

Van Buren, Mitchell and Householder

upon Ham Iberg in the first inning was Eddy Householder's hit that cored Van Buren and Mitchell, After this Inning there was nothing doing until the eighth inning. Mitchell walked, an error and a single scored him. While all this was going on hig Bill Essiek attended to the visitors. In the fifth Ining Van Haltren's colts got very busy with Bill's offerings and they presented four hits for collection. Fast fielding and poor base unning cut them off without a run. His right wing morgued two Commuters

it the plate.
The white-haired boy from Iowa, Blex. rud, again came in for a trouncing at the hands of the Glants. Jakey Atz was the first slugger to straighten one of his There was nothing forthcoming in the run column, however, until be walked Conrad in the third inning. With Corbett layed away in cold storage, Atz and Van Buren both singled, scoring Conrad. Portland skipped the fourth. In the fifth Corbett singled and Van Buren's homer scored him. Two bad infield wobbles and Atz's third blingle were good for two more runs. This made five and enough, but just to save Elexuid from further injury. Deverence was roused from his slumbers on the bench and again took the center of the stage, Oak-land became dangerous in the eighth. A double play killed its men off and just to add a second double for good measure another was thrown in in the ninth,

SENDS TERMS FOR REFEREEING BRITT-NELSON GO.

Nolan Says That Lets the Big Fellow Out, and Siler Will Preside at the Ring.

SAN FRANCISCO Sept. 4-Late to night Manager Coffroth received word from Jeffries that he would referee the fight for \$200. Nolan, the manager of Nelson, thereupon announced that the price fixed by Jeffries was exorbitant, and that therefore the champion was out of the question as referee for the fight next Saturday. Noisa further said that Jeff was Britt's choloe, and inasmuch as Jef-fries has put himself out of the field, the referee would naturally fall to the choice made by Nelson, namely, George Siler, of

As it is known that the Britt faction is atrongly opposed to Siler, there is a pros-pect of a lively meeting tomorrow when the representatives of the pugilists come together to discuss the question which has been thrust upon them by the big fee demanded by Jeffries, it being conceded that none of the parties at interest will pay \$3000 to the man who will officiate as refered that the start of the parties at interest will pay \$3000 to the man who will officiate as

referee next Saturday.

The advance sale of seats for the meeting of the men who are to determine the world's championship in their class has been unprecedented and the indications now are that the house will represent at feast \$70,000. Both of the pugflists are it prime condition and neither will admit the possibility of defeat.

SAN FRANCISCO, Cal., Sept. 4.-Britt Upped the scales at 136 pounds today, but he says that he will have no difficulty in losing the three pounds. Nelson weighed in at 1300 pounds today, and says that he is steadily losing flesh.

In all these games he appeared to be exceptionally strong. Britt did no road-work today and also eliminated his plunge in the surf, fearing a detrimental effect n account of the raw weather. Nelson has taken on a better appear-

Portland Sharpshooter Has Hard Luck at Tacoma Tournament.

TACOMA, Wash., Sept. 4.—(Special.)— At the monthly meeting of the Southwest Washington Gun Club Association Blue Rock Tournament today, the weather conditions were ideal this morning, but the sun in the afternoon was too dazzling and but few large scores were made. The record for the day was made by Dick Reed, representing the Selby shells, who made a straight run of 72. Such a display of accurate marksmanship has rarely, if ever, been witnessed at the traps of

the South Tacoma Club. Mrs. E. E. Young, the Portland sharp-shooter, was the only woman shocter to participate in any of the events. The sun greatly hindered her work, and she was bothered somewhat by the manner in which the birds were discharged from the traps. The bluerocks took some hitherto undiscovered angles, and it is safe to say that Mrs. Young had more trouble in locating the angles than probably any other competitor at the ranges.

Portland Easily Defeated at Lacrosse.

PLAY IS ALL ONE-SIDED

Visitors Had the Local Men at Their Mercy All Through the Game, Winning by Four-

In presence of a handful of people yesterday afternoon on Multnomah field, the Vancouver, B. C., club played a lacrosse match with the Portlands. It would be strictly correct to say that the Van the former came out victors to the lune of 14 goals to 2. The play was interest-ing from a technical point of view, but otherwise was dull and one-sided, for

the Portlands were clearly outplayed at every stage of the game. The stiendance also showed that la-crosse is about a "dead one" in the city, and that the public takes practically no interest in the game at present. Baseball seems to be exclusively preferred, while lacrosse here is a new game that Americans do not understand. Here was the most famous lacrosse club probably on this continent prepared to give as scienti-fic an exhibition of the game as it is

But as trained athletes shining in stick work and combination play, they are not in it with their British Columbia rivals. The play was fairly fast, and Williams, of Portland, distinguished himself by scoring the first goal. But for the next is Godfrey (5), Douglas (3), Quigley (1), Cameron (1), Garvey (2) and Payne (2) sent the ball to the net for Vanc

lightning lacrosse and so did Cameror and Godfrey. Hyatt, Knight and Garvey were sent to the fence for a few minutes for cause. The referee was J. J. Mc Donell. The Vancouvers left last night for home. They are good sportsmen and t has been a pleasure to see them play

A genuine Havana filler, rolled from tobacco specially grown in Cuba for Cubanola cigars; a high-grade Sumatra wrapper; -it is exactly the same formula that puts the 10-cent pricetag on nearly every 10-cent cigar.

CIGAR-5c. The difference between the price of the Cubanola

and of the average ten-cent cigar is due solely to quantity and to the American Cigar Company's systematic methods of preparation and manufacture. The Cubanola is brought through each successive process from the curing of the leaf in half-million lots. There is no other cigar just like it and there is no

other smoke under ten cents that a Cubanola smoker

can be interested in.
