MORE CASES IN PENSACOLA

Doctor Arrested for Opposing State

Health Officers.

PENSACOLA, Fia., Sept. 6 .-- The number of new cases to develop in Pensacola today showed a decrease, although phy-sicians are still investigating a number which will probably be pronounced yel-low fever tomorrow morning. One fully developed case was reported,

the patient being Herman Pinneya, an operator of the Western Union, which office is located in the infected district. This makes a total of 17 cases, of which 11 are under treatment. Dr. S. M. Gonzales was arrested upon

the charge of opposing the State Health authorities and circulating false reports. Dr. Gonzales openly stated that there was no fever in Pensacola, that the present scare was only for the purpose of getting graft from the people, and that there was not a word of truth in the builetins posted. The doctor served in Cuba dur-ing the Epanish-American War, and received much commendation for his sani-tary work in Havana.

recred as an inspector of the elections in question, was asked how he knew that the electors were genuine policy-holders. In reply he said that there was no ex-amination of credentials, no presentation of policies or any other way of certifying the right of a prospective voter to cast his bailot. Mr. Oakman stated that he relied on officers of the company, who,

he said, were always present during the two-hour election period, to tell him whether the electors presenting themselves were entitled to vote. George M. Cummings, the president of the United States Mortgage Trust Com-

pany, who had acted as a Mutual election inspector, said that in all cases the inspectors accepted the statements of voters as to their eligibility.

McCall's Son Provided For.

The amounts of salaries paid to officers of the New York Life Insurance Com-pany were given by John C. McCall, secretary of that company. He said that he was a son of President John A. McCall, of the New York Life; that the day after he graduated from Harvard in 1899 he

went to work for the New York Life in-surance Company at a salary of \$2500 m year as assistant secretary, and that he now received \$14,000. The president's sal-ary, he snid, was \$100,000. The salaries of the first vice-presidents "were \$25,000.

\$15,000 and \$40,000, and of the three second vice-presidents, \$30,000, \$21,000 and \$18,000, respectively. There were, Mr. McCall said, about 25,-000 proxies in the office of his company, made out in the names of the president and vice-presidents.

and vice-presidents. Edward R. Hodes appeared for the Mu-tual Benefit Life Insurance Company, of New Jersey, which does business in New York. He said that the salaries paid to the officers were very low, but the figures were not given. The Metropolitan Life Insurance Com-

pany was represented in the witness-box by Vice-President Haley Fisk and by Frederick H. Eckert, controller. The latter said that in an election in 1904, out of 25,000 votes cast, all except three or four were voted by proxy. Mr. Fisk said that the president's salary was \$100,000, his own \$75,000, and the lesser officers from \$55,000 down

\$35,000 down. Charles W. Camp, of the Mutual Reserve Life Insurance Company, was the last witness examined at today's session.
