

QUALITY VERY GOOD

Oregon Potatoes Should Move Freely This Season.

OPINIONS OF AN EXPERT

High Prices are Not Expected Now Is There Much Likelihood of the Market Going Very Low. Crop a Large One.

POTATOES—Good movement of Oregon potatoes indicated. ONIONS—Farmers cutting under. From-street prices. FRUIT—Pine grapes and good bananas received. POULTRY—Receipts generally are large. EGGS—Of fresh Eastern stock arrives. BUTTER—Local trade slow. CHEESE—Firm prices quoted. CABBAGES—Low grades are strongly held.

There is a good local demand for potatoes, but receipts continue large and prices are low. These carrots have been shipped to Astoria, but the movement toward California will not open up for some time yet.

Butter, Eggs, Poultry, etc. BUTTER—City creamery. Extra creamery, 20¢; standard, 19¢; fancy, 18¢. Eggs—Fancy creamery, 25¢; standard, 24¢; fancy, 23¢.

CATTLE MARKET FIRM. Low Grades Especially Show Strength. The cattle market is quite firm, particularly on low grades. No 7 line in cargo lots vary in New York from day to day from 9 1/2 to 8 1/2 cents.

POULTRY RECEIPTS LARGE. Only Dealers Fully Supplied See Firmness in Market. There was a diversity of views in the produce district yesterday as to the real conditions of the poultry market.

PLenty of POOR GRAPEs. Receipts from California and the Dalles are in Bad Order. The steamer yesterday delivered a full supply of grapes, bunches and pomogranates.

FORELAND QUOTATIONS. Grain, Flour, Feed, etc. FLOUR—Patents, \$2.40-\$2.50 per barrel; standard, \$2.30-\$2.40; cheap, \$2.20-\$2.30.
