SALES EXCEED THOSE OF 1904 BY \$23,000

Enormous Increase in Business at Eilers Piano House Over Corresponding Month of '04 Undoubtedly Due, in a Great Measure, to the Closing-Out Sale of Exposition Instruments.

Never in the history of piano selling have such values been offered as during the Monster Closing-Out Sale of Exposition Planos at Ellers Plano House, and the response it has met with thus far is unprecedented. What grander or more appropriate souvenir could anyone possess than one of the Planos, Planola Planos or Planolas that added much to the attractiveness of the glorious Lewis and Clark Exposition. Every one of these instruments that we are now offering at greatly reduced prices has been the center of admiration and joy of those who were fortunate enough to see and hear them.

These instruments were a pronounced feature in a majority of the state buildings, and also adorned the apartments of many Commissioners, where they were carefully guarded and protected, and were not in a booth or on the Trail subject to heat or dampness.

Many of these instruments are now to be found in the most prominent homes in this vicinity, but a few remain, and we are offering them at reductions of 20 to 60 per cent from lowest cach retail prices.

New "Used" Ones. In this sale we also include Pianos that In this sale we also include Pranos that have been turned in as part payment on the famous Chickering, Weber, Kimball Pianos, or for the wonderful Pianola Piano, and in many instances they are virtually new, having been in homes but a short time. Before being placed in our salesrooms they are thoroughly gone over in our repair shop, and made into practically a new instrument.

### NOBODY IS EXEMPT

A New Preparation Which Everyone Will Need Sooner or Later.

Almost everybody's digestion is disordered more or less, and the common-est thing they do for it is to take some one of the many so-called blood purifiers, which, in many cases, are merely strong cathartics. Such things are not needed. If the organs are in a clogged condition, they need only a little belp and they will right themselves. Cathartics irritate the sensitive linings of the stomach and bowels and often do more harm than

Purging is not what is needed. thing to do is to put the food in con-dition to be readily digested and as-similated. Stuari's Dyspepsia Tablets do this perfectly. They partly digest what is ealen and give the stomach just the help it needs. They stimulate the secretion and excretion of the digestive fluids and relieve the congested condition of the giands and membranes.
