More Water for Centralia.

CENTRALIA, Wash., Nov. 3 .- The Cen CENTRALIA, Wash., Nov. 1.-The Cen-tralia Water Company has an engineer in Centralia and is planning extensive im-provements. Harvey L. Johnson, presi-dent of the company, states active work of bettering the system will be com-menced at once. The company desires, he says, to put in a gravity system, but the coat makes this impracticable. Work of reconstruction will be commenced when the engineer reports. A well system will be established. A new steam pump will be put in, and the

new steam pump will be put in, and the reservoir on the hill enlarged again.

Boys Will Build Gymnasium

CENTRALIA, Wash., Nov. 1.-The Cen-tralia High School Athletic Association has plans under way to build a gymnasium this Winter. The School Board has sig-nified its willingness to give the boys ground. It is the intention to start the building, and let succeeding classes com-

piete it. The Centralia School Board also has calls out for bids on two new school-rooms. The schools are overcrowded and something has to be done at once.
