

GORHAM MACHINE BADLY SMASHED

People Refuse to Disfranchise Negroes in Maryland Election.

TWENTY THOUSAND SAY NO

Amendment Fight Splits Democratic Vote and Several Republicans Will Gain Office as a Result.

BALTIMORE, Nov. 7.—The election in Maryland today was for a State Controller, Legislature and county officers, and in Baltimore for a Judge of the Supreme Court, Sheriff, City Clerk and Surveyor. The issue which engrossed popular attention was a proposed constitutional amendment, the avowed purpose of which was the disfranchisement of negro voters, but which aroused widespread opposition among many Democrats and foreign voters in both parties.

NEBRASKA REPUBLICANS WIN

Light Vote Pooled—Results Stand About Same as in 1904.

LINCOLN, Neb., Nov. 7.—Returns from the election in Nebraska are sufficiently complete to indicate with certainty the election of Charles B. Letton, Rep., over William G. Hastings, Fusion, as Associate Justice of the Supreme Court, by a plurality, greater than that given Judge Barnes for the same office two years ago which was 812. The Republican candidates for regents ran slightly behind Letton, but the returns show that the pluralities will not be materially reduced from those received by the regents in 1903. The vote was light.

OMAHA, Neb., Nov. 7.—Practically complete reports from Douglas County show that the Republicans have been successful in every instance, electing their entire county ticket and giving a big majority for the Republican nominees on ticket.

IS NOW GOVERNOR GUILD.

Republicans Carry Massachusetts by Big Majorities Throughout State.

BOSTON, Nov. 7.—Lieutenant-Governor Curtis Guild, Jr., of Boston, the Republican candidate, was elected Governor of Massachusetts in the state election today by a plurality of 2,422, over Charles W. Bartlett, of Boston, the Democratic candidate.

SENATOR DRYDEN IS SAFE.

Republicans Gain Stronger Hold on New Jersey Yesterday.

TRENTON, N. J., Nov. 7.—The election in New Jersey increased the Republican hold on the State Legislature and makes it impossible that a Democrat should succeed United States Senator John F. Dryden in 1907. In the State Senate, Republicans made a gain of three, electing Republicans from Gloucester, Salem and Somerset Counties, which for the last three years have had Democratic Senators.

WANT JOINT STATEHOOD LAW

Indian Territory's Light Vote Shows Antipathy to Sequoyah.

OKLAHOMA CITY, O. T., Nov. 7.—

From returns received here, the vote in Indian Territory for the proposed Sequoyah state constitution was very light. The Oklahoma will say: "A summary of news received from the election held in Indian Territory indicates that the total vote on the Sequoyah constitution will not reach 25,000 out of a possible 300,000. In many of the towns polls were not opened, and in numerous instances the vote for joint statehood with Oklahoma far exceeds the vote for separate constitution. The vote is an overwhelming endorsement of joint statehood for the two territories. Not 30 percent of the voters of Indian Territory have endorsed the Sequoyah constitution. At Ardmore, Purcell, Chickasha, Coalgate, Marietta and other large towns no election was held."

CHICAGO HAS ONE DEMOCRAT

Other Offices Filled by Republicans in City and County.

CHICAGO, Nov. 7.—The Republicans made a clean sweep of the election in Chicago and Cook County today, electing all of their candidates with the exception of one man. The sole Democrat to reach the promised land was Webb, a candidate for trustee of the sanitary district.

AMERICAN PARTY VICTORIOUS

Mormons Are Defeated in Salt Lake City Election.

SALT LAKE CITY, Nov. 7.—The American party, of which ex-United States Senator Thomas Kearns is a leader, today elected Ezra Thompson Mayor after a bitter campaign in which opposition to the Mormon church was the sole issue.

MIXED RESULT IN INDIANA

Ownership Candidate Elected Mayor of Terre Haute.

INDIANAPOLIS, Nov. 7.—Returns from 56 cities in Indiana indicate that the Republicans have been victorious in 28, and the Democrats in 28. The tickets nominated by the people's and citizens' organizations carried in ten municipalities.

UTTER HEADS A PHALANX

Republican Ticket Sweeps Clean Field in Rhode Island.

PROVIDENCE, R. I., Nov. 7.—Governor Uter is expected to have been elected by a plurality of at least 300 over the Democratic nominee, Lucius F. Garvin. A plurality of 1000 was the largest looked for even by Mr. Uter's most ardent supporters.

President Receives Returns.

WASHINGTON, Nov. 7.—President Roosevelt spent the greater part of the evening in the Executive office receiving the election returns. With him were Mrs. Roosevelt, Secretary of War, and Assistant Secretary Bacon, of the State Department.

Bookwalter Is Elected.

INDIANAPOLIS, Nov. 7.—The election of Mayor Bookwalter is conceded. At 12 o'clock tonight the returns from all precincts give Bookwalter, Rep., 23,428; Holtzman, Democratic candidate for re-election, 23,897; Bookwalter's plurality, 463.

Leader of Reformers Arrested.

Indian Territory's Light Vote Shows Antipathy to Sequoyah.

OKLAHOMA CITY, O. T., Nov. 7.—From returns received here, the vote in Indian Territory for the proposed Sequoyah state constitution was very light.

Four Facts For Sick Women To Consider

Lydia E. Pinkham's Vegetable Compound Has an Unequalled Record of Cures—Mrs. Pinkham's Advice Is Confidential, Free, and Always Helpful

First.—That almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as backache, irregular and painful menstruation, leucorrhoea, displacements of the uterus, pain in the side, burning sensation in the stomach, bearing-down pains, nervousness, dizziness and sleeplessness.

Second.—The medicine that holds the record for the largest number of absolute cures of female ills is Lydia E. Pinkham's Vegetable Compound. It regulates, strengthens and cures diseases of the female organism as nothing else can.

For thirty years it has been helping women to be strong, curing backache, nervousness, kidney troubles, all uterine and ovarian inflammation, weakness and displacement, regulating menstruation perfectly and overcoming its pains. It has also proved itself invaluable in preparing for childbirth and the change of life.

Third.—The great volume of unsolicited and grateful testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time published in newspapers, give absolute evidence of the value of Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's advice.

Fourth.—Every ailing woman in the United States is asked to accept the following invitation. It is free, will bring you health and may save your life.

Mrs. Pinkham's Standing Invitation to Women.—Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. All letters are received, opened, read and answered by women only. From symptoms given, your trouble may be located and the quickest and surest way of recovery advised. Out of the vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Surely, any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance.

TOM JOHNSON RUNS HIGH.

Is Again Mayor of Cleveland With 12,000 Votes to Spare.

CLEVELAND, Nov. 7.—At midnight the reports from only 50 precincts out of 280 in Cleveland had been reported, the delay in the count being caused by the general scratching of ballots. In these 50 precincts Pattison, Dem., for Governor, had a plurality over Herrick, Rep., of 345.

COX CONCEDES ELECTION.

Dempsey Has Cincinnati Mayorality by 15,000 Plurality.

CINCINNATI, Nov. 7.—George B. Cox, the Republican leader, at 7 P. M. concedes Dempsey's election for Mayor by 15,000, and that Pattison carries Hamilton County by 1000, while the Democrat, Dem., has carried the state by 60,000.

HAMILTON COUNTY DEMOCRATIC

Estimated That the Party Shows a Plurality of 8000.

CINCINNATI, Nov. 7.—From 60 precincts returned to the board of election, it is estimated that the Democrats have carried Hamilton County by about 8000 and that Pattison, Dem., for Governor, has the same plurality.

Herrick Has 5000 to Spare.

COLUMBUS, Nov. 7.—Returns from 22 out of 280 precincts in Franklin County show an average gain for Pattison, Dem., for Governor, of 250 to a precinct. This, if maintained, will give Herrick, Rep., a plurality of about 500.

Garber Claims the State.

COLUMBUS, Nov. 7.—Democratic Chairman Garber issued a statement at 7:30 claiming the election of Pattison and the entire state ticket by a phenomenal plurality.

Mayor Deposits Police Chief.

NEW YORK, Nov. 7.—A hot contest for the Mayorality of Jersey City between Mark Fagan, Republican, the present Mayor, and A. M. Henry, Democrat, was enlivened today by the taking of some of his power from Chief of Police Murphy. The Police Commission, of which Mayor Fagan is a member, adopted an order by which Chief Murphy was prevented for the day from suspending policemen on accusation of misconduct at the polls. Instead, the commission assigned some members of the force to report any misconduct of the police.
