

PHILADELPHIA IS CLEAN AND HAPPY

Reformers Exult Over Reducing Machine to Mere Scrap-Pile.

PLAN FOR NEXT CAMPAIGN

Will Renew Struggle for Control of City Council—Berry, New State Treasurer, Proclaims Policy of Publicity.

PHILADELPHIA, Nov. 8.—There was a great demonstration at the Mayor's office today by the victorious City party leaders and others. Scores of leaders and hundreds of members of the reform organization, who had assembled at City party headquarters to offer congratulations to the successful candidates, formed in line and, headed by two brass bands, marched through the streets to the City Hall. In the line were some of Philadelphia's best-known citizens. Each carried a flag, and the enthusiasm was so great that hundreds of persons on the street caught the spirit and joined the marchers. The men marched into the Mayor's large reception-room and cheered him while the bands played patriotic airs.

Cleanest Election in Years. The Mayor was lifted on a table and made a stirring speech, in which he paid a warm tribute to the police for their loyalty to duty. He gave the people credit for the victory, and said it was the cleanest election held in Philadelphia in many years. Rudolph Blankenburg, one of the successful candidates for Commissioner, aroused much enthusiasm by declaring that the fight against the Republican organization must be carried on to February, when an election for members of the City Council will be held. The other candidates and a number of the leaders also spoke. The demonstration lasted more than an hour. The City party has planned to hold a mass meeting and street parade Friday night in honor of its victory.

New Campaign in February. The managers of the reform movement intend to at once begin the campaign for the February election. A staff of attorneys employed by the reform leaders is at work preparing to bring about prosecutions of offenders against the ballot laws. Judge Biddle, in Common Pleas Court, today ordered the arrest of the entire election boards of 11 divisions for neglecting to make reports to the prothonotary's office.

Chairman Franklin Spencer Edmunds, of the City party committee, said today that the cost of running the reform campaign was approximately \$110,000. The Republican organization leaders had little to say today regarding their defeat. The result of the election, they said, told the story. United States Senator Penrose and Israel W. Durham, the leader of the local Republican organization, had a long conference, at which they discussed the situation. Mr. Durham, accompanied by a few friends, will go South tomorrow for a rest.

Publicity Is Berry's Policy. Mayor William H. Berry, of Chester, the successful fusion candidate for State Treasurer, was in the city today, receiving the congratulations of his friends. Mr. Berry, who will be the first Democrat, excepting Governor Pattison, to occupy a state office in Pennsylvania in many years, said that his policy in conducting the State Treasury will be publicity. "I propose to thoroughly investigate the entire condition of things in the state this year," he said. "I intend to let the people know just how I find things."

HUNDREDS ARE UNDER ARREST. Nearly 500 Persons Accused of Fraud in Philadelphia.

PHILADELPHIA, Nov. 8.—Never in the history of Philadelphia elections have so many arrests been made as in the contest yesterday which resulted in the defeat of the Republican organization by the reform City party. Scores of prisoners were arraigned before a Magistrate, and nearly 500 who were arrested are under bail awaiting hearings tomorrow. The majority of the defendants are accused of voting and attempting to vote illegally.

REFORMERS WIN CITY BY 43,833. All Machine Leaders Swept Out by Philadelphia Landslide.

PHILADELPHIA, Nov. 8.—The victory of the City party, the reform organization, over the regular Republican City party, was complete and beyond the expectations of the reform leaders. The City party's plurality is 43,833. The reform wave carried Berry, for State Treasurer, along with it, he defeating Plummer in the city by 35,067 plurality. The complete vote for the offices for which there were contests is as follows: For Sheriff—Wilson H. Brown (City), 14,872; Joseph S. Neff (Rep.), 10,546; G. R. Fisher (Socialist), 137. Coroner—J. M. R. Jerom (City), 14,764; Thomas Dugan (present incumbent), 13,118; Julius Weber (So.), 170. County Commissioners (three to be elected, but no election to vote for more than two)—Rudolph Blankenburg (City), 14,846; E. A. Anderson (City), 14,823; H. A. Chase (Rep.), 10,119; William Emsley (Rep.), 9,651; Alphonse O'Brien (So.), 137. Chase is elected as the third Commissioner, defeating Emsley, his colleague, by 638 votes.

The vote for State Treasurer in Philadelphia was as follows: W. H. Berry, (Fus.), 34,737; L. J. Plummer (Rep.), 9,790; R. B. Ringler (So.), 1219; E. J. Drugman (So. Lab.), 188. The proposed \$4,000,000 loan for the abolition of grade crossings was carried by a large majority. The highest vote cast for any one was that for Sheriff, the vote being 25,252. The total vote for President last year was 281,584. The City party claims that, inasmuch as \$1,000 alleged fraudulent names were stricken from the voting list since the fight against Republican began

last May, the vote cast yesterday was the highest ever polled in the city. The regular Republicans carried only 14 of the 42 wards for their local ticket. Plummer, for State Treasurer, carried 18. One of the surprises of the election was the loss by the regular Republicans of United States Senator Penrose's ward. It gave the City party a plurality of 10, but Plummer carried it by 83 votes. Insurance Commissioner David Marshall, at one time the Republican leader of the city, lost his ward yesterday for the first time in 30 years. The veteran leader, upon whom much of the work of the Republican campaign fell, also lost his ward, the Twentieth.

LOUISVILLE TO HAVE CONTEST

Fusionists Accuse Democrats of Fraud and Stealing Ballots.

LOUISVILLE, Ky., Nov. 8.—The managers of the Fusion party met this afternoon and announced that they had decided to contest in the courts the election of the Democratic ticket for municipal offices and members of the Legislature. It is alleged that in 14 precincts no election was held at all, owing to the disappearance of the election paraphernalia. In 14 additional precincts the ballot boxes were confiscated by Democratic workers before the returns were certified, thus allowing the result to be falsified, and finally that in a large number of other precincts gangs of armed thugs and repeaters, abetted in some instances by the police, cast many fraudulent ballots, besides preventing lawful voters from voting.

On the face of the returns which are not contested, Paul Barth, Democratic nominee for Mayor, has been elected by about 2500. The status of the Legislature today appears: Senate—Democrats, 31; Republicans, 8; doubtful, 2. House—Democrats, 79; Republicans, 14; doubtful, 7. These bodies will elect a successor to Senator Blackburn, whose place is contested in the 10th—Judge of the Court of Appeals Faynter.

DRAPER'S VOTE IS CUT DOWN

Less Than 2000 Plurality—Boston Elects Her Jerome.

BOSTON, Nov. 8.—A revision today of the vote in Massachusetts failed to make a material change in the result. The revised figures are: Governor—Guild, Republican, 197,512; Bartlett, Democrat, 174,396; Guild's plurality, 23,116. Lieutenant-Governor—Draper, Republican, 182,197; Whitney, Democrat, 189,201; Draper's plurality, 1996. The Democrats slightly increased their representation in both branches of the Legislature, gaining three Senators and one Representative.

A feature of the election was the unexpected victory of John E. Moran for District Attorney of Suffolk County, which includes the City of Boston. Mr. Moran failed to receive any party nomination, and ran entirely on the endorsement of the republican number of citizens. His opponent, Michael J. Sugrue, had the endorsement of both the Democratic and Republican parties.

Chairman Lyman, of the Democratic State Committee, stated to the Associated Press today that the Democratic leaders would request a recount of the vote for Lieutenant-Governor.

COMPLETE VOTE OF RHODY

PROVIDENCE, R. I., Nov. 8.—The complete vote for Governor in this state follows: Fiske, Republican, 36,682; Garvin, Democrat, 36,340; Helms, Prohibition, 619; Healey, Social-Labor, 38; Carpenter, Socialist, 40; Utter's plurality, 492. Compared with last year, the result shows a Republican net gain of 3488. The State Senate will probably contain 23 Republicans and four Democrats, and the House 49 Republicans and ten Democrats.

The proposed constitutional amendment favored by the Republicans, and providing for the division of the state into 50 Assembly districts, failed to secure the three-fifths vote necessary for its adoption.

Elkins Dyer, Republican, was elected Mayor of Providence by a plurality of 1400 over Clarence A. Aldrich, Democrat. He will be the first Republican Mayor of the city in 11 years. Patrick J. Boyle, of Newport, head of the city government for many years, and Democratic candidate for reelection, was defeated by Robert C. Cottrell, Republican, by 50 votes.

Democratic Mayor chosen in Pawtucket, Woonsocket and Central Falls.

NEBRASKA HAS LANDSLIDE

LINCOLN, Neb., Nov. 8.—The election in Nebraska has the appearance tonight of a Republican landslide on the head of the ticket. The plurality for Letton for Supreme Judge will not be less than \$1,000, and may exceed \$15,000, more than double that of two years ago on a decreased vote. An average Republican gain of 6% votes to the precinct is shown. Both the Republican candidates for members of the university are elected, but their pluralities are considerably less than that for Judge.

Party lines were adhered to on county offices. The fusionists making gains in some counties reliably Republican, and vice versa.

Voting Machines a Success.

CHICAGO, Nov. 8.—The Chicago record for speedy election returns was established yesterday by the use of voting machines in ten precincts. The results from one of these precincts being received over the telephone by the Election Commissioners within 30 seconds of the closing of the polls. The returns from the other precincts where voting machines were used also came in with much rapidity, all being in within 20 minutes after the closing of the polls, and returns from five voting-machine precincts being received before one return came in from an old-system precinct. The test was the first thoroughly comprehensive one to which the voting machine has been submitted in Chicago. Much satisfaction was expressed by both voters and the officials at the polling places where the machines stood, it being found that the votes were cast with rapidity.

Republicans Carry Chicago.

CHICAGO, Nov. 8.—The Republicans swept Chicago yesterday, electing every candidate on their ticket. The highest returns early today show the following figures: Judge Superior Court—Gary (Republican), 38,538; McEwan (Republican), 30,222; Ball (Republican), 8,836; Kavanaugh (Republican), 100,348; Ramsey (Democrat), 71,227; Smythan (Democrat), 6,283; Shepherd (Democrat), 3,522; Werno (Democrat), 6,284. Judge Superior Court (to fill vacancy)—Smith (Republican), 33,953; Tolman (Democrat), 21,718. Judge Circuit Court—Pinnock (Republican), 8,313; Doyle (Democrat), 7,428.

In the vote for trustees of the sanitary district, McCormick, the highest man on the Republican ticket, received 86,643 votes on the Republican ticket, the highest man on the Democratic ticket, Baker, the low man on the Republican ticket, received in the city 258 more votes than Webb, the high man on the Democratic ticket.

WHY BLAZE A WAY?

Reasons Why Tainted Congressmen Don't Resign.

OPINION FROM THE EAST

"Sarkasm" From the Washington Post on Demand That Mitchell, Hermann and Williamson Resign Their Seats.

ORIGONIAN NEWS BUREAU, Washington, Nov. 8.—Under the heading "An Embarrassing Request," the Washington Post today prints the following editorial: "The Portland Oregonian, with astonishing lack of tact, is calling upon its tainted Senator and Representatives to resign in order that brand-new men may be sent to Washington. Senator Fulton is the only member of the Oregon delegation who is not under a cloud, and the Oregonian thinks it is asking too much of him to look after the interests of the entire state at Washington. An appeal is made to Senator Mitchell and Representatives Williamson and Hermann that they should heed the still small voice of patriotism and give untainted men a chance. 'One of the difficulties in the way is the fact that, if Senator Mitchell should resign, Governor Hays would appoint a Democrat in his place. That is a contingency which makes it doubly imperative that Senator Mitchell should pause before resigning his exalted and honorable station. It is true, Senator Mitchell has been convicted of crime, but he himself has said it, and it greatly to his credit, he remains a Republican.' The Oregonian, surrender his place to a Democrat?"

Why Establish Precedent.

"The Oregonian is endeavoring to establish a precedent in this business. Its advice does not seem to appeal to Senator Mitchell and his indicted colleagues of the House. Why should they accept the offensive statement that they can do no good in Washington, but only harm, and give way to others, when other states have not demanded such sacrifices from their Representatives who have the misfortune to be standing in the prison shadows? Why should Oregon establish a precedent? Senator Mitchell did not get into trouble until after Senator Burton, of Kansas, had blazed the way. Mitchell has made more rapid progress toward punishment than Burton, but it is not his fault, and he should not be charged with precipitancy. Let Senator Burton take the initiative by resigning and then Senator Mitchell, with good grace and without loss of a delicate sense of Senatorial propriety, follow the precedent thus established."

Would Lose Their Eminence.

"The Oregonian betrays lack of information in this matter that must necessarily be paid out to the Oregon delegation. There is fitness in all things. It can hardly appeal to the tainted Representatives to argue that, if they should ultimately be declared innocent, their self-placement would rebound to their credit as men who placed the interests of their state above their personal interests. 'If these men should resign, what would differentiate them from the horde of common people accused of crime? So long as they are members of the Senate and House they have a sort of eminence that may affect the jury. The little matter of unimpeached communication with the United States Treasury on the part of the whole is also to be considered. On the whole, the Oregonian asks too much, and asks it at a peculiarly embarrassing time.'"

WIDOW REJECTS LOVER AND HE COMMITS SUICIDE.

Comes From Germany to Wed, but Refuses When He Proves Consumptive—Then He Dies.

NEW YORK, Nov. 8.—After following a woman across the continent in a vain attempt to persuade her to marry him, only to see her board a steamer for Europe, Walter Herling, an elderly man, supposed to be from Lindsay, Cal., committed suicide tonight in a hotel in Hoboken.

Mrs. A. H. Tilloch, a comely young German widow, arrived in Hoboken from Bremen October 13. She told the people of the hotel where she stopped that she was on her way to Lindsay, Cal., to marry a man to whom she was engaged. Her fiancé, however, returned and said she was on her way back to her home in Germany. The same day Herling also arrived at the hotel. He was suffering from consumption, for which reason, it was understood, Mrs. Tilloch refused to marry him.

Yesterday the widow sailed for Bremen and today Herling was found dead, having taken poison. He left a note saying that he had nothing to live for and enclosing \$50 to reimburse the hotel proprietor for the trouble he had given him and to pay his funeral expenses.

Taft Arrives November 14.

WASHINGTON, Nov. 8.—A cablegram from Panama received at the War Department states that Secretary Taft, who left Colon yesterday, will arrive at Norfolk November 14, reaching Washington the next day.

Economy in medicine must be measured by two things—cost and effect. It cannot be measured by either alone. It is greatest in that medicine that does the most for the money—that radically and permanently cures at the least expense. That medicine is Hood's Sarsaparilla. It purifies and enriches the blood, cures pimples, eczema and all eruptions, tired, languid feelings, loss of appetite and general debility. "I have taken Hood's Sarsaparilla and found it reliable and giving perfect satisfaction. It takes away that tired feeling, gives energy and puts the blood in good condition." Mrs. ERYN COLVER, 1238 23rd Street, N. W., Washington, D. C.

All We Advertise You Get --Just as Advertised. John Wanamaker—the Dean of American merchants—makes a telling application of a bon mot perpetrated by one of America's most famous actresses that so nearly fits our case we are going to appropriate it today. Here it is: "Lots of people claim that they never get," says BLANCHE BATES, in the "GIRL FROM THE GOLDEN WEST." LOTS OF ADVERTISERS CLAIM WHAT THEY NEVER GIVE. There was a concern once that advertised "Forward \$1.50 and we will send you a fine steel engraving of George Washington." THEY SENT A POSTAGE STAMP WITH WASHINGTON'S FACE ON IT. Another advertisement promised: "For a dollar bill we will tell you how to make your trousers last." The answer came back to those who inquired: "MAKE YOUR COAT AND VEST FIRST." Goods misrepresented are bells whose tongues never stop ringing out the deceit of the store that sold them. We often hear the remark from patrons of this store: "IF YOU READ ABOUT A THING AND BUY IT AT THE OLDS, WORTMAN & KING STORE YOU'RE SURE TO HAVE WHAT YOU EXPECT WHEN YOU REACH HOME."
