

WILL BE BIG GAME

Rival Elevens to Meet on the Gridiron Today.

M. A. A. C. VS. WILLAMETTE

Winged "M" Men Will Put Up Hard Contest With the Salem Boys on Multnomah Field This Afternoon.

PINCIPAL FOOTBALL GAMES ON THE COAST TODAY.

- M. A. A. C. vs. Willamette, at Portland.
- Stanford vs. Berkeley, at Palo Alto.
- University of Oregon vs. O. A. C., at Eugene.
- University of Washington vs. Sherman Indians, at Seattle.
- University of Idaho vs. Pullman College, at Moscow.

This afternoon's contest between the elevens of the Multnomah Amateur Athletic Club, of this city, and Willamette University, of Salem, is generally looked upon by the admirers of the local club as a supreme test of the strength of the club's present team.

Many of the local experts on football estimate Willamette as one of the strongest elevens in the Northwest, and some are confident that Bishop's eleven will demonstrate their superiority over almost any team in this vicinity. The members of Overfield's squad are full of confidence, very few of them would admit that there was a possibility of the game resulting in a tie. Most of the team expressed themselves confident of at least equaling the performance of last season's team, which defeated Willamette by the score of 8 to 0.

The local players rested from their labors of the past week last evening, and spent an hour at the club during which the coach caucused the team on the fine points of the game and the tactics to be employed. Multnomah has the advantage in the matter of weight, for the locals outweigh the visiting eleven some 12 pounds to the man, which in football is considered quite an advantage.

Several good bets were made about town last evening, for there seemed to be plenty of Willamette money in sight and the loyal supporters of Multnomah were not slow to take some of it at even money.

The game will start promptly at 3 o'clock, and all those who journey out to Multnomah field will undoubtedly witness a great game.

The teams and the weights of the players will be about as follows:

High School Game at Salem.

SALEM, Nov. 10.—(Special.)—Eugene and Salem high schools played a tie game on the gridiron today, each team making a touchdown and goal. In the first half the ball was all the time in Eugene territory. Twice within five yards of the goal the Salem team fumbled but finally got over the line. In the second half the Eugene team got the ball on a bad punt on Salem's 25-yard line and bucked the line the required distance. Erbele Kuykendall, halfback, was the star player for Eugene High School and made most of the yardage. Satlin, of Salem, made two 20-yard runs. Jones and Cross were other strong men for Salem. Score 6 to 6. Umpire, Nace; referee, Ford; both of Willamette.

IDAHO WINS AT MOSCOW

FIERCE GAME WITH WASHINGTON INJURES SEVERAL.

Delighted Citizens Gloat Over Third Victory Won From State University at Pullman.

MOSCOW, Idaho, Nov. 10.—(Special.)—Before 5000 people, the football team of the University of Idaho today defeated the team of the Washington State College by a score of 5 to 0. It was the hardest and most bitterly fought game ever witnessed in this section of the country, many men being injured, taken from the field and replaced by substitutes.

The style of play of the two teams was entirely different. The Washington State College resorted altogether to end runs, while Idaho bucked the line and center tactics. Idaho outclassed the Washington State College in all points of the game, and, while it was bitterly fought, the score is not indicative of the difference of the two teams.

Idaho's goal was never in danger, and the Washington men only reached her 20-yard line once, while Idaho was in their opponents' ten-yard line four times and within the five-yard line twice.

Idaho won the toss and chose the east goal. The first half of 25 minutes was very hard-fought one, as the Washington State College played better ball during this half than the second. The second half was very much more hotly contested than the first, and Idaho made a touchdown in ten minutes by fierce line plunging. The rest of the half lasted until darkness, and was always in Washington's territory, and consisted of fierce playing throughout. Twice during this half Idaho had the ball inside of Pullman's five-yard line, but by reason of offside playing or fumbling she failed to score.

Towards the last of the half Idaho tried a place kick, but Small failed. About the middle of the second half Captain Middleton, Idaho's star quarterback, was injured and had to leave the game. Middleton played a wonderful game, showing rare skill and judgment in the selection of the plays and the management of the team. His place was taken by Small, who shifted from fullback, Keyes taking Small's place. It was feared at this time that Idaho's team would go to pieces by reason of the loss of Middleton, but Small made good.

Larson was probably the best ground-gainer of the day, though more runs were made by Rogers, Small and Smith. Roosevelt, the big guard of Idaho, was tried out today for the first time, and played a star game. Snow, Sheridan, Thomas and Oakes all played good consistent ball, and the team work of Idaho was almost per-

fect. The Pullman team probably out-pointed Idaho in kicking. Hardy was the star of the team. Sapp went out of the game in the second half, and his place was taken by Morgan. The Idaho team was not as heavy as the Washington State College, and it was only through her perfect team work that she won the game. Idaho far surpassed Washington on the defensive, and, while her runs were not as long and spectacular as those of Washington, they were more steady and consistent. This is the third consecutive game won by Idaho, and the students and citizens are wild with joy, and are rejoicing and parading the streets celebrating the victory. It is estimated that over 2000 changed hands on the result of the game.

STANFORD IS IN CONDITION

Four Portland Men Will Wear the Cardinal in Annual Game.

STANFORD UNIVERSITY, Nov. 10.—(Special.)—At 2 o'clock tomorrow afternoon Stanford's magnificent new athletic stadium will be christened by the 5th annual football game between Stanford University and the University of California. Every one of the available 15,000 seats has long since been disposed of. The Stanford team is trained to the hilt, and, despite a season of most disheartening adversity, is in excellent condition for the supreme effort tomorrow afternoon. Lanagan brought his proteges on the

PLAY A TIE GAME

Neither Hill Nor Newill Is Able to Score.

IS HARD-FOUGHT CONTEST

Once the Cadets Were Almost Within Reach of Victory in the First Half When Unlucky Fumble Interfered.

The score was 6-0. And the score tells the tale only in part. Hill Military Academy and Newill's Riverview Academy fought out the fourth game of the interscholastic series yesterday afternoon on Multnomah field. Best-

that unlucky fumble would have won, I am fairly well satisfied however.

RACING SEASON IS OPEN.

Fine Track and Fit Horses Insure Good Meet at Oakland.

SAN FRANCISCO, Nov. 10.—All is in readiness for the opening of the racing season at the Oakland track tomorrow, and there is every indication that it will prove the most successful in the history of the sport on the Pacific Coast. Fine weather has permitted the owners to get their horses in good shape, and the track is in excellent condition. There are more high-class horses here and en route than ever before. Many clever riders are on hand, including Knapp, Davis, Radtke,

field yesterday afternoon for open practice for the first time since secret practice was instituted two weeks ago. The team showed a speed, teamwork and general all-round improvement which surprised even the most ardent cardinal supporters.

On the other hand, Berkeley is supreme confident, and expects to win with ease tomorrow. Betting on the game varies from 3 to 1 to 10 to 5 on Berkeley. Four Oregon men will wear the cardinal on the field tomorrow, Captain A. J. Chalmers at fullback, Providence Stout at quarterback, P. T. Frizzell, of University of Oregon fame, at right guard, and William Koerner, of the Portland Academy tackle, at left end. Besides these, Kenneth Penon will substitute at quarterback and in all probability enter the game.

The line-up follows:

Stanford	Position	California
Prizell	Q. B.	Stien
Prizell	C. B.	Gray
Crawford	L. G.	Force
Horton	L. G.	Force

on by Portland High as well as Portland Academy. The light elevens of the Newillites went out of a victory wash for the season, this being their last game. The grandstand was full of color, blue and white for the cadets and another combination for the Riverview boys. There were songs, yells and admissions from all sides. The trumpets of the soldier boys were greatly in evidence, and amid these surroundings the two teams went forth to battle.

Promptly at 2:30 referee Stockton blew the whistle, whereupon Penon booted for 45 yards. Captain Taylor caught the kick, but returned only five yards. The soldiers, in spite of their weight, were easily held, so that Dimmick had to punt, which he did to the extent of 40 yards. And again the sea-saw-back-and-forth was all through the game, and ran it back the same distance. The ball continued to seewag back and forth for some time with an intermittent punt where yardage was impossible, but with a noticeable tendency to stay in Hill's territory.

Near the Goal and Fumble.

The Newill men were fighting for inches, and it counted. Slowly, but surely, the linesmen neared Hill's goal, as they followed the line of the ball. A series of line-plays were made, and Newill which seemed invincible and there remained but a few inches. The ball flashed, a dart into the mass, and there lay the ball. A fumble! But it was over the line. Captain Taylor saw it, and it was his; he sprang to get it back over the line, but the whistle blew. The ball was carried out to the 25-yard line, kicked by Hill to the 20-yard line, and the sea-saw-and-forth struggle started. This one fumble cost Newill the game, for never again was the team within dangerous territory of the United States, and was a tie game in the end.

Beals C. Wright in Tennis.

The citizens of Portland who are interested in the game of tennis will have an opportunity this afternoon of witnessing one of the greatest exponents of the game in the country, when Beals C. Wright, of New York, will engage in a set of doubles at the Irvington tennis court.

Beals C. Wright is one of the best tennis players in the United States, and was a member of the team of Holcomb Ward and Beals C. Wright that represented the United States in the competitions in England last summer.

He is a splendid player and has made an enviable record on the courts, and is on his way to California at present, where he is to participate in some notable contests this winter, and in visiting in Portland he consented to play an exhibition game of doubles at the Irvington courts, in which he, with Richard Wilder as a partner, will play a match with Dan Bellinger and Walter A. Goss.

Prizefight Club in Pennsylvania.

NEW YORK, Nov. 10.—Twenty-round boxing exhibitions will soon be within reach of New Yorkers, says the World. The chances are that before the end of December at least one rousing match will be brought off within easy reach of Broadway.

The new power in the boxing world is incorporated in the State of Pennsylvania under the title of Tuxedo Park Association. It has a capital of \$100,000, and 1600 acres of land in Delaware County, Pennsylvania. Just beyond the city limits of Philadelphia. The manager is William E. Rocap. Mr. Rocap, who was in New York yesterday to make final arrangements with the architect of the new club-house, said:

"It is absolutely certain that we can hold 20-round contests in Delaware County without breaking the law. We hope to bring out Terry McGovern and Young Corbett as our first pair."

Auburn, Greenfield, E. Walsh and Fountain McBride.

An attractive programme is offered for the first day, with the opening handicap as the main feature. There will be about 15 or 16 starters. With Proper of the Jennings stable, as favorite, San Nicolas, Reservation, Good Cheer, Bragg, High Chancellor and Bombardier are among the prominent candidates.

Willie Knapp, who made such a brilliant record on the New York tracks, will ride Proper, while Davis will be on San Nicolas. The two fast sprinters, Bear Catcher and Crusader, are carded to meet in a six-furlong race. The racing will continue at Oakland until December 11, when it will be transferred to Ingleside for six weeks, after which it will again be resumed at Oakland. Jake Holtman and Richard Dwyer will alternate as starters.

LOW PLAYS LOW-DOWN TRICK

Kneels to Avoid Punishment and Sullivan Is Given Fight.

BALTIMORE, Nov. 10.—Before the Eureka Athletic Club, Kiki Sullivan, of Washington, got the decision over Tommy Low, also of Washington, tonight. The finish came in the eighth round. Referee O'Hara gave the award to Sullivan because Low, for the third time within two rounds, went to his knees without being hit in order to save himself from a knockout.

Hanon-Herrera Fight a Draw.

LOS ANGELES, Nov. 10.—Eddie Hanon and Aurelia Herrera fought a 20-round draw tonight. White Hanon did all the forcing from the start to the finish and had the lead from the first to the tenth round, inclusive. Herrera fought a strong fight from the tenth to the 17th, inclusive, and did very effective work with right uppercuts to the body and head.

The fight was not interesting from a spectacular standpoint, except in spots. Both men fought in much the same style, getting close together, covering up and using a crouch. Herrera had several inches the better of the reach, and Hanon found it very difficult to get inside his guard.

"Soaker" Football Today.

There will be a game of association or "soaker" football this afternoon at 3 o'clock on grounds at the foot of Lincoln street, south of the Portland Lumber Company's yards, between the Portlandians and a sailors' team principally recruited from the crew of a French ship now in the harbor.

BUCK'S SHEETERS

FOR WOOD AND COAL

Few people ever stop to consider the extraordinary amount of fuel which the ordinary heater consumes. But if it be a Buck's, the economical results and the perfect distribution of heat are so evident, so surprising, that the saving of fuel fully demonstrates that in these heaters is the most scientific construction. Take, for instance, the Buck's "Hot-Blast," the most modern of all coal heaters. The "Hot-Blast" principle as contained in these heaters is entirely different from all others; yet it is simpler and more effective. The many sizes in which these heaters are made render it most easy to make a selection for any room. We have set up in our stove department one of these modern heaters, which is fully demonstrating all that is claimed for it.

San Francisco, Cal. Nov. 10.—(Special.)

Portland put up a nice quality of baseball today, nothing brilliant, but a good sample of the National game, and it was too much for the Commuters. Final score, Portland 7, Oakland 3. Jones was in good form and had better support than Rixford. The latter was tapped up for ten hits, but with the right kind of support two runs could have been lopped off the Portland score. NEW YORK, Nov. 10.—Rumors that John J.
