

FOOTPRINTS MAY SHOW MURDERER

Suspect Hogan's Shoes Said to Fit in Tracks Near Scene of Crime.

BOMBS MADE IN HOTEL

Startling Theory Advanced by Detective, and Contents of Trunk and Valises Go Far to Bear Out the Conclusion.

BOISE, Idaho, Jan. 2.—Under date of Caldwell at 9 P. M., the State's representative sends the following: Captain Swain has just made the following sensational statement to the representative of the State: "You may announce that we have conclusive evidence that the bomb used in the assassination of Governor Steunenberg was manufactured in room No. 19 of the Saratoga Hotel (the room occupied by Hogan), and that the details of the plans were probably formulated there."

It was further stated by the Captain that the evidence accumulated against Hogan was overwhelming. He did not feel justified in making much of it public, but he was willing to state that one feature was the finding of Hogan's shoes that he wore on the night of the murder. He would not say where these shoes were found, but stated they were worn when discovered.

Shoes Fit Track of Assassin.

The shoes had nails in the soles and these nails were found to fit perfectly into the tracks which have all along been believed to have been made by the assassin while escaping from the scene.

Captain Swain said he did not expect to have any additional news tonight, but he would be up bright and early in the morning with some important work to be attended to. He gave your correspondent to understand that the evidence at hand justifies several additional arrests. In a few hours jail would be positively fixed on somebody.

Hogan, he believes, is guilty of manufacturing the bomb at least. Vessels in his room, it develops, show a quantity of plaster of paris, this being one of the evidences of the kind of work he was doing there.

Five Suspects Arrested.

At Caldwell today Hogan was brought into court and formally committed to the custody of the Sheriff. He said he thought he could get counsel in two days and be prepared for his preliminary hearing. There are two other suspects in jail there and two more will arrive from Council tomorrow.

The suspects in jail are Larry Heron and an Englishman, who gives no name. Those at Council are F. Campbell and Harold Warren. The latter two were in Nampa last Friday when Hogan was there and the latter registered there at a local hotel, using the name of William Warren for the latter. He had some business cards reading: "Thomas Hogan, Silverton, Colo., Agent Mutual Life Insurance Company."

HAVE QUARREL ON THE TRAIN

Men Arrested at Council Accuse Each Other of Talking Too Much.

WEISER, Idaho, Jan. 2.—(Special.)—The two men, Campbell and Harold, who were arrested Sunday on suspicion of being implicated in the murder of ex-Governor Steunenberg at Caldwell, were re-arrested at Council today. They were brought back to the city this evening and will be taken to Caldwell on the morning train.

While on the way to Caldwell the two were quarrelled and each charged the other with talking too much and that he had better be careful. Campbell particularly was very abusive when arrested in this city Sunday, and made many threats of what he would do. He could not give a very clear account of where he had been during the past ten days, and some of the assertions he made Sunday when in the sweatbox have since that time been investigated by the officers and found to be false.

FUSECUTTER IN HOGAN'S TRUNK

Suspect Was Seen to Walk Toward Steunenberg Home Frequently.

BOISE, Idaho, Jan. 2.—(Special.)—John C. Rice, of Powell, has identified Thomas Hogan as the man whom he met very frequently during November between his home and the down-town district. In fact, for a time he met him every morning as he came down town. It was Hogan's habit to walk out past Mr. Rice's home and on beyond the Steunenberg residence. All the members of Mr. Rice's family saw him at different times. On one occasion Hogan was observed with a pair of field glasses. These he leveled upon the domestic employed at the Rice home and she complained about it. Hogan's baggage was all examined today. One portion was a trunk found yesterday in the baggage-room at the depot. He had never moved it to the hotel, though it was less than a block away, and the fact of its existence was not discovered until a search was made. It is learned that Hogan had access to the trunk. He visited the baggage-room on the day of the murder.

The trunk, a large one, was filled with clothing. Some of this was good and other portions had been well worn. Some of the clothing had plainly been used in mining work. An interesting portion of the contents of the trunk was a pair of slippers, the kind used in cutting fuse and

setting caps in giant powder. It was well covered with whitish material, such as would be accumulated in working with powder, and it smelled strongly of gunpowder.

The finding of the fusecutter is regarded as being of great significance, particularly as it carries the smell of powder. In a large grip some white powder was found, supposed to be a high explosive.

The smaller grip contained a Colt's automatic pistol, some cartridges of the same, a pair of brass knuckles, an electric flashlight, a pair of field glasses, a fishing reel with the line removed (the line may have been that used in pulling the trigger of the bomb), a small amount of white powder, which was shown to be explosive by placing a minute particle of it on iron and striking it with a hammer.

PEABODY MARKED FOR DEATH

Governor of Colorado Says He Will Protect Himself.

DENVER, Colo., Jan. 2.—(Special.)—According to an interview given out today by James H. Peabody, ex-Governor of Colorado and his Adjutant, Sherman Bell, they have been threatened with the same fate that overtook ex-Governor Steunenberg of Idaho, who was blown to pieces with a dynamite bomb as he entered his gate Saturday night. Both claim to have direct knowledge that they have been marked for death by certain miners who object to their method of law enforcement and they declare that oaths have been taken to put them out of the way. Mr. Peabody was seen in his bank at Canon City today and said:

"I have no doubt Steunenberg was killed by miners and that I am marked for the same fate. I have no doubt, but I shall protect myself."

FUNERAL HELD AT CALDWELL

DISTINGUISHED CITIZENS OF IDAHO ARE IN ATTENDANCE.

W. E. Borah Pays Tribute to Dead ex-Governor and Declares State Will Avenge.

BOISE, Idaho, Jan. 2.—The funeral of ex-Governor Steunenberg was held today in Caldwell, his home town. There was a very large attendance. A special train carried some 200 persons from Boise. Among those present were the Governor and two ex-Governors, all the other state officers, the Justices of the Supreme Court, the Judge of the Federal Court, four of the District Judges of the state, a former member of Congress, a former Delegate in Congress, and a great number of prominent private citizens.

The services were held in the Christian Church, being conducted by Rev. W. J. Boone, a Presbyterian clergyman, assisted by Elder Snyder, from Walla Walla, of the Seventh-Day Adventist faith, with which Mrs. Steunenberg affiliates. The church was beautifully decorated, there being many floral offerings.

The feature of the services was a brief oration by W. E. Borah, at the request of members of the family. Mr. Borah paid a touching tribute to his dead friend, and continuing, took occasion to briefly speak of the public services of the dead and the debt of obligation under which he placed the state. He said in part:

NAIL DRIVEN IN ODELL'S COFFIN

Wadsworth Nominated for Speaker by Immense Majority.

IS ROOSEVELT'S CHOICE

Higgins Declares Caucus Heeded Voice of People—Odell Whispers From Tomb He Is Not Disheartened.

ALBANY, N. Y., Jan. 2.—James W. Wadsworth, Jr., of Livingston County, son of Congressman James W. Wadsworth, of the 31st Congressional District and son-in-law of the late John Hay, Secretary of State, was nominated by the Republican caucus tonight for Speaker of the Assembly and will be elected to that office tomorrow when the Assembly convenes. His Democratic opponent will be George M. Palmer of Schoharie, who for many years has been minority leader of the Assembly floor.

Mr. Wadsworth had 75 out of 105 votes cast in the caucus. Edwin A. Merrill, Jr., of St. Lawrence, receiving 14, and J. M. Wainwright of Westchester, 12. The entire strength of the Republican side in the new Assembly, 107 in all, was present, but none of the candidates voted. The vote was taken by open roll call, and there was no attempt to secure a secret ballot, as had been expected.

This result brings to a close one of the most remarkable Speakership campaigns of recent years, characterized by marked factional bitterness and some unusual features. Mr. Wadsworth was not among the candidates originally in the field, but was proposed by Governor Higgins in a formal statement, and in addition to the support of the Governor and his friends, was regarded as having the approval of President Roosevelt.

Mr. Merrill had the backing of Chairman B. R. Odell, Jr., and his friends in the state organization who fought with determination for his election or, failing that, for the defeat of Mr. Wadsworth.

Mr. Wainwright stood openly in opposition to what he charged was improper influence of the executive in a purely legislative matter. He had the support of a number of the New York City members, especially those Republicans who were also on the Municipal Ownership ticket.

After learning the result of the caucus, Governor Higgins said:

"I am neither disappointed nor surprised. The voice of the people and of the press has been heard here, and the representative of the people in the Assembly have, in my opinion, followed the sentiment expressed."

"I have no comment to make on the action of the Republican caucus," said Mr. Odell tonight, "except to say that I am grateful for the 75 votes. I am not at all disheartened by the result."

Both houses of the Legislature will convene at noon tomorrow. After the organization of the Assembly the annual message of Governor Higgins will be read and the Legislature will then adjourn, probably for one week.

The meeting is considered of unusual importance, owing to the fact that the league has placed itself in opposition to President Roosevelt on the question of free trade with the Philippines.

The Philippine tariff is now before the House of Representatives and the tariff league has already taken steps to fight the measure. An officer of the league gave it as his opinion that even if the measure passed the House the Senate could be relied upon to strangle it.

He is now under sentence to life imprisonment, and he brought the case to this court to secure a review of the ruling of the Kentucky Court of Appeals, affirming a decision of the Circuit Court, which allowed him another trial. His principal allegation was that the proceedings of the Kentucky courts were irregular.
