LABOR MEN FIX A SLATE

MUNICIPAL OWNERSHIP PEO-PLE NOT CONSULTED.

That Candidates Will Favor Allies' Principle Is the Only Guarantee That Is Offered.

SEATTLE, Wash., Jan. 15 .- (Special.)-The labor leaders will "slate" the mass convention to be held Saturday by the laborites and the advocates of municipal ownership. If the municipal ownership crowd does not like the list of nominees the labor leaders will submit they will have to worry along as best possible.

This much of a guarantee will be given -that the men put forward by the union men will be advocates of municipal own-ership. That is what the municipal own-ership crowd say they want above all else, and that is the pasts of the labor

That Mathew Dow, contractor, is the That Mathew Dow, contractor, is the choice of the labor men for Mayor has been allowed to become generally known. The unionists have formally indorsed him, and will put his name before the mass convention with all the prestige that goes with a solid labor support.

In discussing his policies, Dow declared today that he would favor the immediate expenditure of \$2.00,000 to beste building sumicipal after relies.

immediate expenditure of \$2,000,000 to begin building municipal street rallway lines, and would advocate mensures for gradually extending the system.

According to labor leaders, they have no objection to the renomination of John Riplinger, who will be the Republican sandidate for Controller. Riplinger is especially strong with the German voters, and the labor leaders do not want to stir up any unnecessary strife by opposing him. If they have their way about it, that place will be left vacant on the labor-municipal ownership ticket.
