Council Resents His Charges of Corruption.

MUST PROVE OR RETRACT

Denver Speech Sprung on Him by Alderman, and He Confesses Correction—Motion Demanding Retraction and Apology.

CHICAGO, Jan. 15.—(Special.)—In the most dramatic meeting of the City Council that has been held in many years, Mayor Duane came into conflict with the legislative body tonight in a manner that, if the clash be carried to its final alternative, either the Mayor will be impeached for impugning the integrity of Aldermen or the majority of the City Council will be shown up as corrupt.

In a speech at Denver Friday night the Mayor declared that the cause of municipal ownership is suffering in Chicago, because there are malign influences at work to thwart the carrying out of the will of the people. These influences, he charged, were being brought to bear by the traction companies on the City Council. When the Aldermen read the accounts of the Mayor's speech in the local newspapers, they became aflame with anger. The part of the speech to which special exception was taken is this:

Mayor's Offensive Speech. The companies which secured the passage of the infamous Allen and Humphrey bills to the State Legislature by wholesale bribery and corruption are still exerting their malign influences against the carrying out of the will of the people. By influences known only to themselves they have secured the almost two-thirds of the City Council to vote in contempt and defiance of the public demand. It is to be noted that the "three tremendous votes in the City of Chicago, we find these powerful and malign influences still exerting themselves in every possible way to prevent the realization of the people's demands."

Called to Account. Scarcely had the Council got itself into working order tonight than Alderman Foreman, one of the leaders of the opposition to the Mayor's policy, produced a copy of a local paper and had it presented to the Mayor. "I hand you a copy of a paper containing an account of a speech said to have been made by you in Denver, Mr. Mayor, and I should like to know if you are correctly quoted in that speech?" Plainly the Mayor was not prepared for the incident. His face blanched and the paper shook in his extended hands. "I have read this account of my speech," said the Mayor, "and I get the impression, and I wish to say that in the main I have been correctly quoted."

Demanded for Protection. Alderman Bennett, another anti-Duane leader on the floor, then offered a resolution to the effect that until the Mayor should retract the statements attributed to him and admit that he had no longer allowed to precede over that body. The resolution was referred to the judiciary committee by a vote of 43 to 13. Exciting times are looked for at future meetings of the Council. As the situation logically stands now, the Mayor must come forward with proof of specific bribery and corruption or else he will be no longer allowed to precede over that body. The resolution was referred to the judiciary committee by a vote of 43 to 13.

Educated Against Graft. Stiffens Says People Are Learning They Own Streets.

NEW YORK, Jan. 15.—Lincoln Steffens, author of "The Shame of Cities," addressed an "anti-graft" meeting under the auspices of the Y. M. C. A. yesterday. Mr. Steffens told of fights made in various American cities against political corruption. Of Chicago he said: "They have not got good government in Chicago yet; not by a good deal; but they have got democratic government—representative government—at least. They have a real interest in the city and not in the railroads. They found, too, that the source of corruption was privilege, and so they determined to take away that privilege. And that is the plan which must be followed elsewhere."

Stevens Accuses Railroad of Neglecting Traffic by Pacific Mail and House Seeks Method of Retaliation.

WASHINGTON, Jan. 15.—Charges by Secretary Taft and Chief Engineer Stevens of the Isthmian Canal Commission that the Southern Pacific Railroad is responsible for the freight congestion on the Isthmus of Panama formed the most interesting development of a four hours' hearing today on canal affairs before the House subcommittee on the House committee on appropriations.

The Southern Pacific Railway Company controls the Pacific Mail Steamship Company, according to the statements of the Secretary of War and Mr. Stevens, who says that since the abrogation of the freight agreement between the Pacific Mail and the Isthmian steamship company the latter has been dilatory in calling for San Francisco freight on the west side of the Isthmus. It is alleged that the company frequently refuse to stop to take on freight and even leave port with only a partial cargo, while great quantities of freight lie on the wharves.

Settle Critchfield Claim. Venezuela Expected to Adjust American Asphalt Concession.

NEW YORK, Jan. 15.—The latest information from Caracas regarding the Critchfield claim against Venezuela, which dispatches from Washington say is that it will be satisfactory to the government of Venezuela and the United States, and the Venezuelan company which now operates the Critchfield concession, says the Tribune. The claim grows out of the shutting down by the government of the asphalt property "El Invierte." The claim is for \$1,500,000. The terms of the Critchfield concession included a clause that the asphalt from El Invierte was to be free from such a tax as was imposed by President Castro. The property was shut down about the time that the high federal court cancelled the concession of the New York & Bermudez Company at Guanoque. The government contended that aside from the payment of taxes the Critchfield concession was never approved by the Congress according to the laws of Venezuela.
