FRONT STREET
FRANCHISE UP

Application of Willamette Valley Tract Company is
Heard in Committee.

WHAT IT OFFERS TO DO

W. R. Frater Voles His Objectives
and Thomas McNabber Makes a Strong Plea for His
Herald Project.

Consideration of the President's Day
Address was postponed at the opening of the Council's
meeting yesterday, and the time was occupied by
discussion of the Willamette Valley Tract Company's
objectives, which were presented by its President, W. R.
Frater, and his associates.

W. R. FRATER'S OBJECTIVES.

W. R. Frater, President of the Willamette
Valley Tract Company, made a strong plea for the
adoption of the policy of granting a franchise of
200 feet of frontage along Front Street for a period of
20 years, with an option to purchase the property,
contingent upon perfection of the plans for the
building of a railroad bridge across the Willamette River.

The Willamette Valley Tract Company, according to
Mr. Frater, is a corporation organized for the purpose
of developing the real estate along Front Street, and
the company is now preparing to offer the property to
the public for sale.

The company, Mr. Frater said, is not interested in
making a profit from the sale of the property, but is
interested in the development of the area and the
betterment of the city.
